Panicked Chinese Fleeing

Nanking Fears Red Siege Guns

NANKING — (INS) — The prospect that communist siege guns shortly may begin pumping shells into Nanking precipitated a growing exodus from the threatened capital today amid scenes bordering on chaos.

Thousands of residents and officials, fearing for their lives, crammed all outgoing trains and planes as a Red onslaught across the Yangtze river directly upon Nanking was anticipated.

A communist broadcast said peace negotiations would be acceptable, provided the Nationalists surrendered to the Red demands. However, a Nationalist official vowed that Nanking would be defended fiercely if the Reds attack the city before a peace parley can be set.

In an apparent move to check Nanking's rising panic, acting President Li Tsung-Jen proclaimed his determination to remain in the Red-menaced capital, "come what may."

Li's announcement was issued notwithstanding the fact he ranks high on the communist list of so-called "war criminals" marked for "punishment."

PLANES JAMMED

Despite the acting president's declaration, officials of his "caretaker" government jammed all available planes to escape Nanking. Most of them headed south to Canton where a new and probably temporary seat of government is to be set up.

While some 100,000 of their troops moved to the Yangtze's north bank for an expected cross-river leap at the capital, the communists announced their acceptance of the Nationalist bid for peace talks.

The Red radio, however, made it plain such negotiations could be launched only on the basis of communist leader Mao Tse-Tung's eight-point "peace ultimatum," tantamount to a demand for complete surrender.

Fear mounted that long-range communist siege guns may begin lobbing shells into Nanking before any peace conversations can be arranged or a cease-fire ordered.

Consequently, mobs of panic-stricken civilians sought to get out of the city by all available means. Some of these crowds fleeing for their lives took the law into their own hands and seized several trains on the rail line that parallels the Yangtze's south bank eastward to Shanghai.

In a struggle to restore order, government troops recaptured the trains about 50 miles east of the capital. Traffic on the Nanking-Shanghai railroad, however, was completely disrupted.

Labor Party Seen Winner

TEL AVIV — (INS) — A moderate labor government for Israel was apparently assured today by late returns in the Jewish state's first election.

A tally of the votes of approximately half the civilian population gave the mildly socialistic labor party of Premier David Ben-Gurion, the Mapai, a commanding lead of 35.5 per cent.

The Mapam, a labor party much further left, trailed with only 14.6 per cent of the vote. A coalition of orthodox religious parties ran a close third with 14.1 percent.

The Heruth (Freedom) party, a right-wing group led by former Irgun Zvai Leumi terrorist chief Menahim Beigin was in fourth place with only 10 per cent of the votes cast.

The results included all votes cast in Jerusalem, almost all those cast in Haifa, and part of those cast in Tel Aviv.

Introduce Record Evidence

WASHINGTON — (UP) — Twenty-two U. S. government recordings of the "Axis Sally" wartime broadcasts of Mildred E. Gillars were to be introduced today at her treason trial.

Eventually the prosecution hopes to replay for the judge and jury the recordings which it claims brand her a traitor who willfully gave "aid and comfort to the enemy."

Miss Gillars, silvery-haired native of Portland, Me., has been pictured by her attorney as a loyal American who broadcast under the "hypnotic" spell of a nazi professor, once "the most popular man" at New York's Hunter college.

The 48-year-old defendant listened attentively as Frank X. Green, a radio engineer, told yesterday in federal court how the "Axis Sally" recordings were made under his direction at a government "listening post" in nearby Silver Hill, Md.

Green testified that the Federal Communications commission operated the monitoring station during the war on a round-the-clock basis to pickup enemy broadcasts.

Earlier Adelbert Houben, former broadcast manager of the wartime German Overseas Radio service, testified that Miss Gillars was their "highest paid broadcaster." He said she earned from 2,000 to 3,000 marks monthly, compared with his own 1,100 marks.

In addition to regular programs, he said, she occasionally made dramatic recordings such as the "Vision of Invasion" in which she played the mother of an American youth who drowned in an attempted invasion of Europe.

Houben said the purpose of the recording—made as American troops awaited D-day—was "to prevent the invasion."

She's Way Behind

BELLEVUE —(UP)— Mildred Gillars, the alleged "Axis Sally" now on trial in Washington, is 20 to 25 years delinquent on property taxes here, Sandusky county officials said today.

Last Draft Unit Called

Inductions Halted For Next 2 Months

The largest contingent of men to be drafted under the postwar selective service law reported to the Mansfield Induction center this morning. There were 25 from Richland and surrounding counties.

The group will be the last to be inducted for at least two months. Drafting has been halted during February and March because voluntary enlistments have brought the army up to its authorized strength.

The group processed today at the induction center included five Richland countians. The Marion county draft board supplied the largest number of men —11.

In addition there were three from Knox county, two from Ashland county, two from Crawford county, one from Morrow county and one from Wyandot county.

Accused Killer Declared Sane

COLUMBUS — (INS) — Dwight David Tudor, accused of the slaying of a 14-year-old Springfield girl, is sane, a welfare department official said today.

Tudor is charged with the first-degree murder of Mary Ann Page, Springfield, October 13, 1948.

At the time of the killing, Tudor was "going with" a woman record clerk at the Columbus police department, who admitted destroying his police record. She was given the opportunity of resigning.

DAYTON — (AP) — The Dayton state hospital, quarantined Saturday for 30 days after four patients had died of diphtheria, reported finding a third carrier at the institution yesterday.

Rush Plans to Expand Haylift

(By United Press)

Dangerous floods rose in six states today as persistent rains forced rivers out of their banks and spread a heavy glaze over parts of the midwest.

Eastern Arkansas was threatened by a major flood along the Black and White rivers. The streams parallel each other from the Missouri border to where they converge just before the White joins Arkansas and Mississippi rivers.

Tributaries of the Ohio in Illinois, Indiana and Ohio were forcing the big stream above flood stages as they dumped their overflow burden at points from Cincinnati to Cairo, Ill.

The Ohio was four feet above flood at Cairo and experts predicted a crest of 50 feet, 10 feet above flood.

Engineers said the situation could become critical if the rain continued.

Meanwhile the air force rushed plans to extend its haylift operations throughout the west and promised that the mercy flights would continue as long as necessary to save starving livestock.

The 10th Air Force set up emergency relief headquarters at Lowry air base near Denver and dispatched liaison officers to work with the governors of Colorado, Wyoming, Nebraska, South Dakota and Kansas to coordinate the relief work.

The new measures were taken as Russell Thorp, head of Wyoming's emergency stockfeeding program, warned that the "situation is not improving. It's getting worse," he said.

He told of ranchers who were "completely wiped out" by the deep snowdrifts in Weston and Goshen counties of Wyoming.

Gov. Val Peterson of Nebraska said he would use the air force aid chiefly to alleviate human suffering. He has accused the air force of "grandstanding" and contended that the flights were wastefully ineffective.

Last night, he said despairingly, "I don't think man is big

Rain, Fog Give City Dreary Day

Rivers Go Over Banks In State

A cold, steady rain, fog, and a gloomy sky combined to make driving conditions poor and outdoor activity unpleasant in Mansfield last night and this morning.

Meanwhile over the rest of Ohio the additional rain pushed rivers toward flood stages.

Dense fog shrouded the Mansfield area last night, reducing the vision of motorists to a few feet. No major accidents were reported in the immediate city area.

The weather station at municipal airport recorded the total rainfall to noon today at .63 of an inch. The temperature remained constant in the mid-thirties, varying only three degrees from yesterday's high of 37 to today's low of 34 at 5 a. m.

More rain was forecast for Ohio today and tomorrow as numerous rivers and streams went out of their banks in the central and southern sections of the state.

Heavy rain was reported throughout the rain-soaked area that has been besieged by rising waters since Monday. Although hundreds of acres of low-lying land was inundated and several communities saw swirling water rush toward homes, river and weather bureau experts expected no immediate major flooding along the Ohio river.

The Ohio, out of its banks below Cincinnati, was expected to crest at 25 feet, eight feet under flood level, at East Liverpool. At Cincinnati, the Ohio had climbed to 43.4 feet early today following a rise of a half foot in the past 18 hours. Flood stage at Cincinnati is 52 feet. No crest was predicted pending further reports from upstream.

Numerous rural schools were closed because of the high water that blocked at least seven state routes in Guernsey, Clinton, Warren, Scioto, Pike and Gallia counties.

The weather forecast was for rain today and some freezing rain in the extreme northwest portion; cloudy with rain and not much change in temperature tonight and tomorrow.

30-Ton Steel Load, Trailer Disappear

ASHLAND—A "weighty" problem, involving the disappearance of 60,200 pounds of steel on a truck trailer, today confronted H. F. Rickenbrod, Ashland county sheriff, and the State Highway patrol.

Robert S. McDaniel, Steubenville truck driver, this morning told the sheriff the trailer loaded with 60,200 pounds of steel was missing when he returned to pick it up.

Saturday a burned out motor prompted McDaniel to unhook from the loaded trailer and have his tractor-type cab taken away for repairs. The semi-trailer type truck was transporting the steel from Steubenville to Detroit.

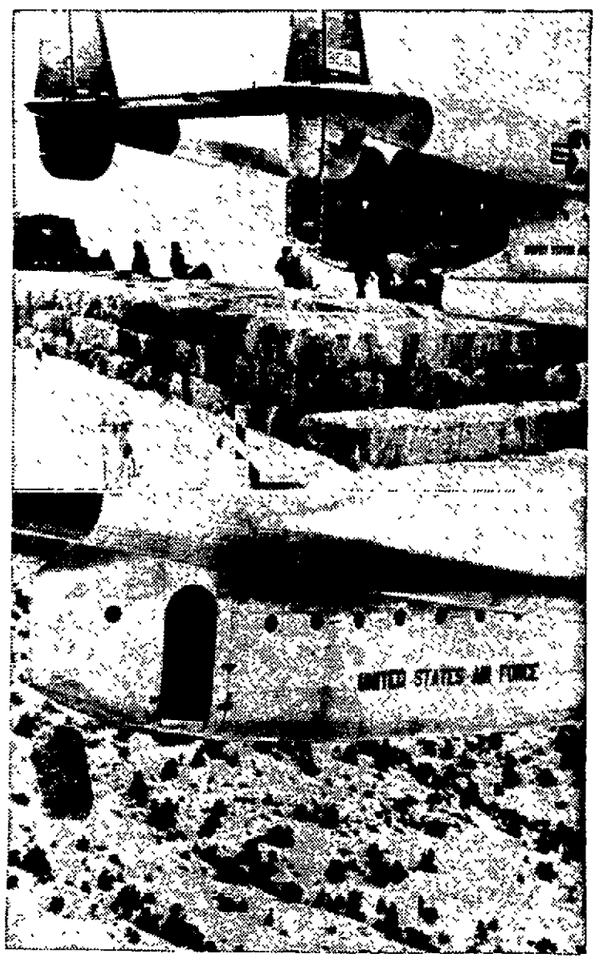

It was "parked" on the grounds of the burned-out Sky-High Night club, five miles east of here on U.S. Route 250. There was no trace of the loaded trailer when McDaniel returned today.

Authorities believe a driver, "dead-heading" without a load, hooked onto the trailer and took it to his own "market."

The steel, described by the sheriff as of scrap type, was owned by Harvey Hicks, Steubenville.

INDUSTRIALIST DIES

SPRINGFIELD — (AP) — Stephen S. Dunbar, 72, retired industrialist and interurban line executive, died yesterday.

STARVING CATTLE FED BY PLANE—While hundreds of ranchers clamor for early aid, giant Army C-82 "Flying Boxcars" shuttle back and forth to drop feed to marooned livestock in the mountain and plains states in an effort to stem further starvation among blizzard-stricken herds. Court Orders Sterilization

Young Girl Loses Motherhood Rights

LOS ANGELES—(AP)—An expectant mother who killed one of her three previous children stands stripped today of the rights of motherhood under an unprecedented sterilization-adoption court order.

She agreed to it. In fact, Mrs. Georgette Brucks, 21, and her attorney, Walter Anderson, voluntarily proposed to Superior Judge Thomas L. Ambrose that she be sterilized after the expected baby's birth in April and that this child and another be given for adoption.

Judge Ambrose said he put the suggestions in the form of a court order yesterday although he had never heard of such an order in the nation's legal history. California law does not cover such a case.

Mrs. Brucks' tragedy of recurrent motherhood as a 'teenage girl reads like this:

She married Edmond Brucks, a sailor, in San Francisco and they separated in December, 1945. She had a son, Edmond jr., four, now with Brucks in Wickliffe, O. They were never divorced. Brucks, now an unemployed truck driver, declined comment last night.

She has been living here as the common-law wife of Donald Redman, a hotel employe. He fathered her son, Howard, who was seven months old when he was slain last October, and another son, Donald, 20 months, and the expected child.

Mrs. Brucks pleaded guilty to manslaughter in the death of Howard. She told police she beat the child with her fists because "I couldn't stand his crying." First she was charged with murder. Then it was determined that the baby died of bronchial pneumonia, with the beating, including a skull fracture, as contributing cause and the charge was changed to manslaughter.

In the pre-sentencing investigation by the probation department, Anderson had two psychiatrists and a psychologist examine Mrs. Brucks. The proposal to the court was the result.

"She never had a chance in life," Anderson said. "I thought it would be best for the girl. She agreed. I think there is a good chance to rehabilitate Georgette when she gets out of jail."

Judge Ambrose not only ordered sterilization and adoption of Donald and the unborn child, but gave Mrs. Brucks a suspended sentence of one to 10 years and placed her on probation for six years, the first six months to be spent in county jail here.

There she told reporters that after the jail term she plans to divorce Brucks and marry Redman.

"It will be better all the way around to have them (the children) adopted," she said. 'I hope they will never know their background and have a chance to be raised in proper homes.

"I'm looking forward to marriage, and to picking up the pieces of my life."

Top Defense Heads Meet

'Highly Secret' Conference Cited

WASHINGTON — (INS) — The House Armed Services committee called a "highly secret" meeting with America's defense chiefs today to hear a confidential communique on the world situation, particularly the "cold war" with Russia.

The committee scheduled a meeting with Defense Secretary Forrestal and the secretaries and chiefs of staff of the army, navy and air force behind closed doors in the Pentagon building.

While the conference is an annual affair, Rep. Vinson (D) Ga., committee chairman, warned his colleagues in advance that the report "will be strictly confidential" and they "must not divulge anything."

An aide to Forrestal said the committee probably will ask for information on progress of the cold war and the possible need for more troops and planes in Europe and Asia as well as on such internal matters as the unsettled arguments between the "unified" services.

Intelligence reports on Russian land, air and sea strength as well as defense estimates of Soviet intentions also are expected to be discussed.

2 Soldiers Killed

FRANKFURT — (AP) — The bodies of two young American soldiers were found near Wiesbaden yesterday, one atop a railroad passenger car and the other beside the tracks on the bank of the Rhine.

Stockings Are Down!

Survey Shows Living Cost Down 9.7%

(By Associated Press)

The cost of seven staple food items in 13 cities across the nation has dropped an average of 9.7 per cent from the level of a year ago, an Associated Press survey showed today.

Women's cotton house dresses are down an average of 24.5 per cent and their nylon stockings are 15.3 per cent under the retail prices of a year ago.

The men are paying about 7.5 per cent less for shirts, but men's and women's shoes and men's suits cost about the same as they did in January, 1948.

Those are overall figures for the entire list of items in all 133 cities.

The survey was based on the current retail price of these seven staple food items—a loaf of bread, a dozen best grade eggs, a pound of top grade butter, a quart of milk, a pound of pork loin, a pound of leg of lamb and a pound of chopped steak (U.S. No. 1).

The comparison was the cost of the same items a year ago. The prices were the average in each of 13 cities from coast to coast.

Nationally marketed lines of well known popular brands were surveyed for the clothing price figures.

Residents of Des Moines enjoyed the largest price drop—21.4 per cent from a year ago.

The total cost of the seven food staples in Des Moines is $3.29 and a year ago it was $4.19.

The survey shows a definite drop in living costs generally during the past year. But there is no common pattern.

Just as the price of a dozen eggs or a pound of butter may vary a few cents between stores in the same city, the prices of the commodities vary widely between communities.

Wanted His Oil Checked, But Fast!

WASHINGTON — (INS) — Raymond E. Hammill really wanted his oil checked when he drove into the service station.

Hammill was driving a fuel truck loaded with 5,900 gallons of oil Monday when the wiring caught fire.

He steered the vehicle through busy downtown streets until he reached a service station where attendants helped him extinguish the blaze before it reached the oil.

Gambling Crackdown Underway

Cleveland Chief Initiates Survey

BULLETIN

COLUMBUS — (AP) — State Liquor Director Oscar L. Fleckner served notice today on Ohio permit holders they must stop gambling in drinking places or face "relentless prosecution."

★

(Compiled From Wire Services)

CLEVELAND — Police Chief George J. Matowitz today ordered all police districts to take a survey to determine whether slot machines are creeping back into the the city.

The order followed the arrest and conviction of a cafe operator for displaying a slot machine.

Matowitz ordered the confiscation of all machines and the arrest of the persons displaying them where evidence of gambling was found. Where no evidence of gambling was obtained, he told his officers, the operators are to be warned that display and operation of the machines will not be tolerated.

In Lancaster six men were fined by Judge Harry Kilburger in Fairfield county common plas court yesterday after they pleaded guilty to gambling charges.

The six, indicted last September by a special grand jury, previously had pleaded innocent to charges of exhibiting slot machines.

Meanwhile Lancaster was described as a town "well above the average as a law abiding community, "by the Lancaster Eagle-Gazette in a front page editorial yesterday. It commented again on what it calls a "sneakpunch" dealt by the state liquor department.

Last week, the newspaper declared Lancaster had been given a black eye by a raid on the Eagles club there. It argued the town was singled out for unfavorable publicity.

Gov. Frank J. Lausche, commenting on the paper's first editorial last week, said "no public law enforecement officer should be berated or condemned for upholding the law."

Peace Talks Bear Fruit

LAKE SUCCESS, N. Y., — (INS) — Dr. Ralph J. Bunche has informed the Security council that Israel and Egypt have agreed to a permanent cease-fire order and complete supervision of the truce by U. N. observers.

The U. N. mediator of Palestine advised the United Nations by telephone from Isle of Rhodes that "there is still hope" an armistice can be achieved.

Dr. Bunche said he is awaiting the return tomorrow of the chief delegates from Israel and Egypt. The delegates left for their respective capitals earlier in the week for new instructions.

Preliminary meetings of the three-power conciliation commission of the General assembly were cut short on instructions from U. N. headquarters and the group expect to function in Jerusalem next week.

War Romance Ends

FREMONT — (UP) — A romance that started in Calcutta, India, during the war appeared to be at an end today. In a divorce suit filed in Sandusky county common pleas court, ex-GI Herbert Jenkins claimed his wife, Patricia, insists on returning to India against his wishes.

Landlords Hit Rent Controls

Pastor Leads Growing Fight

TULSA — (UP) — Six hundred families faced eviction today as members of the Tulsa Property Owners association "withdrew from the rental business" to protest against two rent control bills now in Congress.

The Rev. Wallace J. Murphy, executive secretary of the association, said similar action probably would be taken by landlords in 20 other cities, including Chicago, Houston, Kansas City, Denver, Detroit, St. Louis, Ft. Wayne and Grand Rapids.

"We simply refuse to operate under rent control," Murphy said. "We're going out of the rent business as long as there are controls."

Eviction notices to the 600 tenants were in the mails today.

Murphy, an extensive property owner and founder of a rescue mission here, is a retired Baptist minister. He said the two rent control bills before the 81st Congress are "intolerable."

In Washington, Rent Director Tighe E. Woods said he was "shocked" by the action, but added there apparently was nothing the government could do to stop the evictions.

TENANTS CAN APPEAL

He said the tenants could appeal their eviction notices to local courts under the current rent control act.

"But there isn't anything we can do," he said.

Woods said that he has "never heard of the American Property Owners association."

"But I'm shocked to think that anyone who uses 'reverend' attached to his name would lend his support to such an uncharitable move which seems to thwart the interests of the people," he said.

The administration's bill would give Woods' office power to control evictions. It also would give the rent director authority to collect triple damages from landlords who break the law. Sen. Francis Myers' bill is even stiffer.

James E. Renner, president of the Denver Property Owners' association, said that 5,000 tenants would be evicted in his area if the proposed federal rent control law goes into effect.

"We will evict the tenants and quit business," he said.

In Chicago, S. W. Lewendowski, a national director of the American Property Owners association, said that withdrawal of apartments from the rental market because of rent controls is a common practice.

"I myself have 14 vacancies which I am not putting on the market, and I have sent letters to 20 more occupants asking them to leave," he said.

"This might sound cruel, but all these aren't poor people. They all can afford their own homes.

Ernest J. Ansted, president of the Michigan Property Owners association, said that members in Grand Rapids would "go along with the national policy" of the American Property Owners association. Ansted declined to say how many units would be affected in Grand Rapids, and said he had "no information" about the situation in Detroit.

Murphy said that Tulsa property owners would go to court to force evictions after 60 days.

"We're doing this in good faith," he said. "The properties will not be re-rented until rent controls are off."

Urge State Income Tax

COLUMBUS — (INS) — A resolution seeking to substitute a state income tax for the present three per cent sales tax was in the Senate hopper today.

The resolution, which if passed by three-fifths vote of both houses would submit the question of amending the constitution to the voters, was introduced by Sen. Edward Sawicki (D-Cleveland).

The tax would be on gross incomes, without exemptions other than a flat $3,000 for each wage earner. It was further provided that from one third to one half of the proceeds would be used for old age or disability payments.

Meanwhile, the number of bills introduced in the house to date passed the 100 mark — 103, to be exact — as 28 more bills were introduced.

Richland Beverage Knocks Off Corner Store Five, 52-50

LEXINGTON — Rollin Ford, Richland county's leading high school scorer of a year ago, banged 23 points through the nets here last night to lead Richland Beverage to a 52-50 upset of Frankie Mitsch's Corner Store cagers.

It was the second loss in 17 games for Mitsch's.

Mitsch's outscored Richland from the field but Ford's 11 free throw conversions helped make the difference.

Benny Hogan Wins Playoff

LONG BEACH, Calif. —(AP)— Golfer Jimmy Demaret has his own idea about Ben Hogan's "new" putting style.

Beaten by Hogan two strokes in the playoff yesterday for $2,000 top money in the Long Beach open tournament, Demaret confided: "The only thing different about Hogan's putting is that he's getting humpbacked picking up those 10-foot putts out of the can."

It was a 20-foot putt on the thirteenth, coupled with an earlier two-footer that Jimmy missed, which had a lot to do with Hogan's four-under-par 34-33—67 victory in the playoff.

Demaret shot a 35-34—69 for the 35-36—71 Lakewood Country club course. But he hardly bothered to line up the measly two-foot putt on the eighth green and missed it.

Gump's Win Again In Shelby League

SHELBY — Gump's maintained its lead in the Shelby City basketball league last night by walloping the American Legion, 54-17. Ed Vanderbilt, leading scorer of the Mansfield City A league, led Gump's with 21 points.

Ohio Seamless Tube beat Bing's 33-25, and Shelby Salesbook surprised the Merchants, 44-42 in the other games. B. Tooker led the Merchants with 16 points while Swart got 15 for Salesbook and Cole 13 for Seamless Tube.

Senior High Rolls Over Ross, 59-40

FREMONT—Mansfield Senior high school's basketball team smashed its road jinx in a convincing fashion here last night, defeating weak Fremont Ross, 59 to 40.

Coach Vern Hoffman's Tygers had dropped five in a row away from the friendly confines of the Senior high court. In the Tyger lair, Senior high is riding a crest of 17 straight victories. That record will be endangered when tough Columbus East invades Mansfield Friday night.

Ross high, an underclassmen-studded aggregation, actually kept in a contending position until late in the third quarter. Fremont led at four different stages of the first period before Jimmy Anderson connected on a one-hander to give Mansfield a 13-to-11 lead at the intermission.

AHEAD BY FIVE

A free toss by Big Norb Shibinski and a one-hander from the corner by Ken McCally gave the Tygers a five-point bulge at the start of the second quarter. However, Ross kept pecking away and cut the lead to 19-18. Then Anderson got three straight points and Mansfield increased its advantage to 28-22 at the half.

McCally tossed home 12 points to pace the Tygers' second half drive. The Bengals were in the van only 35-28 when six straight points put the game on ice. Score at the quarter was 43-30.

In the last eight minutes, McCally notched seven points and Anderson six as Senior high continued to pour on the coal.

Anderson nudged McCally in over-all scoring, 15 to 14, while Capt. Paul Ferguson counted 10. He got nine of them in the first half.

SHOOTING BETTER

Mansfield's shooting seemed to perk up on the long, narrow Fremont court. The Bengals made 23 of 66 shots from the court and 13 of 20 from the free throw lane. At one time, the Bengals got six straight gratis hits.

Shibinski fouled out in the third quarter and Ferguson and Ed Demyan followed in the fourth. Dick Sherman, Ross forward, also went out in the fourth stanza.

Ross could count only 11 fielders through the Tygers sliding man-for-man defense but made 18 of 32 fouls.

SOPHS LOSE SECOND

The Tyger sophomore team went down to its second defeat in 11 games before the Fremont reserves, 37 to 33.

The Ross club led by periods—12 to 9, 26 to 14 and 33 to 22.

★

Willie Fowler, junior guard, was cut loose from the varsity squad last night when he refused to enter the game in the last four minutes. Fowler had not missed a game this season and had been in the starting lineup four times. The high-jumping junior had 36 points.

★

Ineligibility has caught up with George Shoulders, the smooth dribbling soph. guard. He's off the squad until he can raise his grades.

Cleveland Barons Take Over Lead

By International News Service

The Cleveland Barons were the new leaders of the American Hockey League's Western division today for the first time since the early days of the 1948-49 campaign.

Center Johnny Holota paced his teammates to the three goal hat tricks in Washington last night as the Barons routed the Lions 6-1, and squeezed out St. Louis into the lead.

Wesleyan, Kent State Win Top Ohio College Games

(By Associated Press)

Ohio Wesleyan defeated Ohio university's basketball team 52 to 44 and Kent State downed Baldwin-Wallace 66 to 59 last night in two of the state's top court clashes.

It was the Bishops' sixth victory in a row in downing the Bobcats of Ohio university. Jud Millhon, Wesleyan's sophomore center, sparked his team and took scoring honors for the evening with 19 points.

George Fulton, a five-foot seven-inch guard, provided the push for Kent State in its victory over Baldwin-Wallace. He harried B-W's top scorer, Dick Selgo, all over the court. Selgo made only one basket and was benched as the final quarter started.

Johnny Collver scored 21 points for Kent to take scoring honors.

FOURTH IN ROW

At Hiram, sparked by George Spikerman's 33 points, Hiram swamped the Canton branch of Kent State university 96 to 56 for a fourth straight win. The bombardment set a new scoring mark for Hiram gym. The old mark of 86 points was set by Capital university of Columbus in 1946.

At Ada, Ohio Northern's Polar Bears marked up their seventh basketball win of the season by defeating Huntington college of Indiana 73 to 65. Ohio Northern came back to win after trailing at halftime by four points.

The University of Dayton Flyers had little trouble in gaining a 63 to 40 win over Kentucky Wesleyan. It was Dayton's 10th win of the season against seven losses.

To Try Again

PITTSBURGH — (UP) — Elmer Riddle, 33-year-old Pittsburgh Pirate pitcher who staged a "comeback" last season and won 12 games, was signed to a 1949 contract today and ready to try it once again.

Riddle, former Cincinnati hurler, emerged from temporary retirement in 1948 to help the Pirates in their climb to first division. In the waning months of the campaign, however, he was forced to the sidelines with a sore leg.

General manager Roy Hamey of the Pirates, who announced Riddle's signing, said the pitcher had added a note to his contract explaining his leg was fully recovered.

DiMag Enroute

BOSTON — (UP) — Boston Red Sox centerfield Dom DiMaggio was en route to the west coast today "to think it over" as far as signing his 1949 contract was concerned.

The bespectacled ballplayer conferred with Red Sox officials yesterday and then left — without signing on the dotted line.

Meanwhile, the Sox announced southpaw Mickey Harris had signed his 1949 contract. Harris won seven and lost 10 last year and had an earned run average of 5.29.

★

Keller Signs

NEW YORK —(INS)— Charlie Keller, the hard-luck outfielder of the New York Yankees, has signed his 1949 contract and reports that he is in top shape after two seasons of injuries.

Club officials announced today that Keller had come to terms for his 10th Yankee campaign, but did not disclose details.

In 1947 he was missing from July on due to a back operation and he was hitting at a .316 clip last season when he fractured his hand in an attempted shoestring catch and missed nearly two months in mid-season.

PHILADELPHIA —(UP)— The Philadelphia Athletics streamlined their squad today with the sale of outfielder Austin Knickerbocker to Toronto of the International League and infielder Dick Adams to Savannah of the South Atlantic League.

Freddies Romp To Win No. 17

FREDERICKTOWN — Fredericktown scored more points in half the game than Mt. Vernon St. Vincent's did over the full route as it racked up its 17th consecutive victory, 70-31 here last night.

Merle Doyle, the Freddies All-Ohio candidate, led the scoring parade as he dropped in ten field goals. Center Earl Bechtel dropped in 17 points, and Guard Jim Ewers 14.

Joe Maxim, Ez Charles Go For Joe

CINCINNATI—(INS)—The scrap over who's to scrap with Joe Louis for the heavyweight crown took a new spurt today with a statement from Jack Kearns, manager of Joey Maxim.

Kearns told the Cincinnati boxing commission the winner of the Maxim-Ezzard Charles fight in Cincinnati Feb. 28 would meet Louis in Chicago this summer—and he had a telegram which at least partially backed up the statement.

The telegram was from the special events committee of the Cook county (Chicago) Democratic committee and it authorized Kearns to negotiate with any suitable challenge for the title.

JOE WANTS $400,000

Earlier word from Chicago was that the Democrats had turned down a Louis bout because the champion wanted $400,000 and a share of the other receipts for a title defense.

Kearns, former manager of Jack Dempsey, also turned up with some information on Louis' contractual arrangements.

While signing the final agreements for the Maxim-Charles bout, he said Louis is not signed by the Twentieth Century Sporting club, but has only a man-to-man agreement with Promoter Mike Jacobs.

Kearns' plea for an out-of-town referee for his boy's fight, on the ground that Charles would be fighting in his home town, met with chilly reception.

Georgie Knows Only What's In the Papers

CINCINNATI —(INS)— Quarterback George Ratterman of the Buffalo Bills was about as non-committal as you can get today about his reported switch to the New York Yankee-Brooklyn Dodger combine.

Ratterman's epic comment:

"All I know is what I've read in the paper."

Hilborn's Scorching Pin Firing Fizzles

The scorching of the Colony alleys by Manager Art Hilborn was stopped last night as he rolled only 568—the first series under 600 in five outings.

Art had a good chance to get his fifth straight honor roll score going into the third game last night. He had 194 and 195 in the first two lines and needed only 211 to put him over the top. He slipped to 179, however.

Art's score was good enough for fourth place in the Elks league as Wayne Anthony and Aid Geiger showed the way with 178-207-206—591 and 189-212-190—591. Ace Dysart had 173-159-252—594. Other scores in the loop included a 564 by Harold Selby, a 555 by Leo Yuncker and a 542 by Paul Herlihy.

★

Only one honor roll score was chalked up last night as six leagues competed on the Colony and Richland Recreation slides.

W. Hoffman compiled that one in the Westinghouse C league at the Colony when he banged 204-213-197—614. Lou Tridico took second in the loop with 169-183-223—575 while Don Shipley had 193-193-186—572.

Others: I. Bautz, 554; I. Foust, 533; Lowell Mowery, 515, and Don Handwork, 514. Mowery had a 214.

★

Frank McDowell, Mansfield Tire league, had fine games of 213 and 241, but fell all the way to 136 in the finale for a 590.

Jim Dunn was runner-up in the circuit with a more consistent 184-223-181—588. Charles Bauer posted 578, Joe Siwek, 564, and Louis Herf, 542.

★

Geiger Distributing held its four game lead in the Transportation league as Harry Swimley paced it to a two out of three victory over Martin Steel. Swimley pounded out 152-178-210—540 to be runner-up to Tony Augustine who led the loop with 180-198-179—557.

B. Yeager took 533, T. Gerger, 530, Adam Karbula 525, and Elmer Oesch 523.

★

H. Cacot set the pace in the Richland C league with a 565 series he compiled for the MAPCO team. R. Krumm of Weaver's Supply was second with 558 while M. Pahls got 530 for Mansfield Rug. R. Phillips of MAPCO also got 530 and H. Carmel, Ritz Nite club, 515.

★

A 423 by Grace Chronister led Westinghouse women while Freda Robertson was runner-up with 479. Ruth Metzger had 374.

Christian 5 Upsets First Methodist

First Christian was the toast of Church league basketball after it handed First Methodist its first defeat of the season in the second half opening game last night. The score was 33-26.

The Methodists made a fine second half comeback but First Christian held off the rally just long enough to salt the game away.

St. Matthews trimmed Ontario Community, 36-29, and Park Avenue Baptist trampled First EUB, 54-7, in the other games on the YMCA court.

Yorkville Cager Bangs Home 65

MARTINS FERRY —(AP)— Ken Alessi, high scoring star of neighboring Yorkville's high school basketball team, put in a strong bid last night for a state record by ringing up a total of 65 points.

The high score was made during Yorkville's 93 to 59 win over Adena. Alessi made 25 goals and converted 15 out of 20 free throws to run his season's total to 625 points.

Millersburg Wins From Bellville 5

MILLERSBURG—Millersburg left Bellville in the dust in the first half, then held on the rest of the way to win a 33-27 decision here last night.

Millersburg led 19-6 at the half, but the visiting Blue Jays were coming fast when two starters, Bill Smith and Bill Lyon, fouled out. Bellville played the game without a regular guard, Bill Balliett, who was left behind with the flu.

It was the fourth loss against nine victories for Coach Harry Regula's Bellville team.

Millersburg also won the reserve game, 41-26.

Veeck Cannot Buy Yankees

NEW YORK —(INS)— The New York Daily Mirror said today that Cleveland Indians' president, Bill Veeck, was turned down recently when he made an informal offer to buy the New York Yankees.

The newspaper quoted Del Webb, co-owner of the Yanks, as saying that he told Veeck the club was "not for sale." Webb was quoted as informing the Mirror:

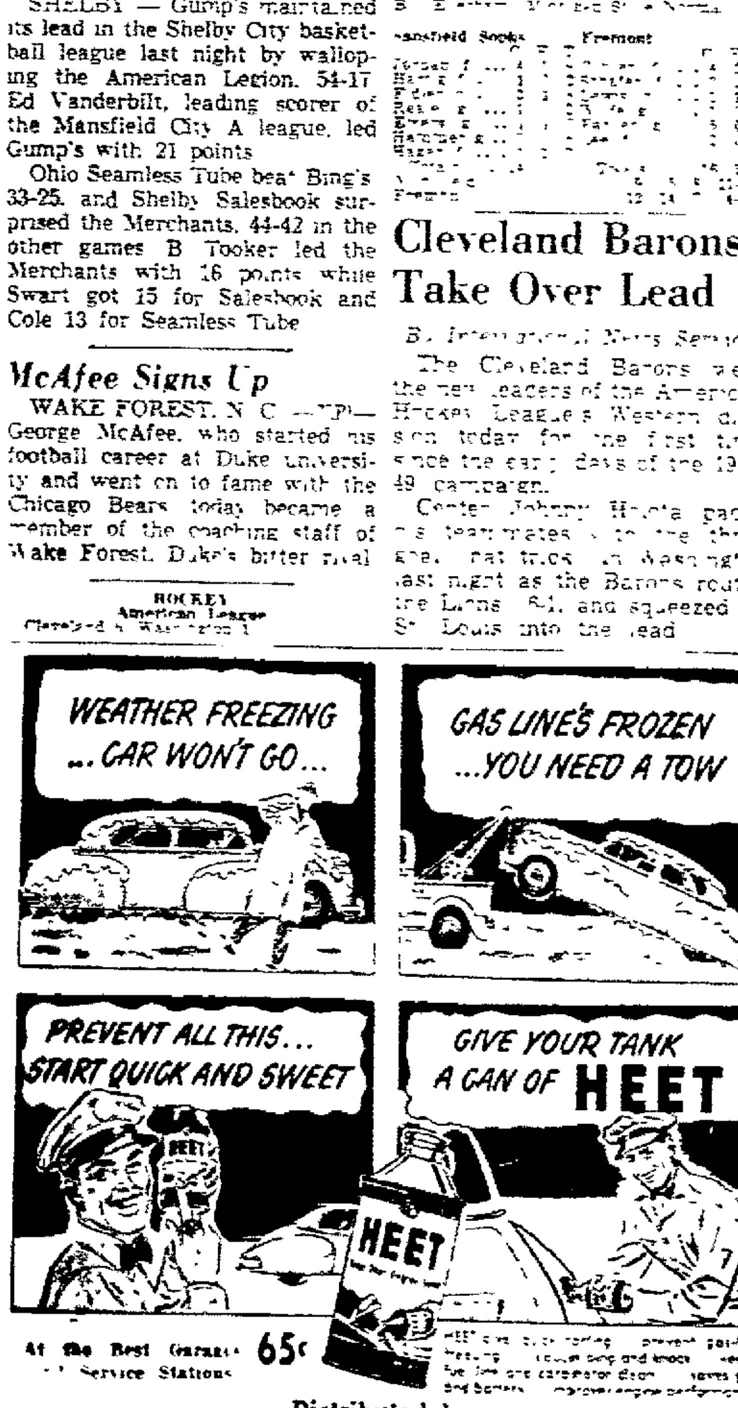

"Veeck is like a thousand other guys who would like to buy the Yankees."

He added that the sport-shirted Cleveland impresario made "no concrete offer."

Richland Beverage Knocks Off Corner Store Five, 52-50

LEXINGTON — Rollin Ford, Richland county's leading high school scorer of a year ago, banged 23 points through the nets here last night to lead Richland Beverage to a 52-50 upset of Frankie Mitsch's Corner Store cagers.

It was the second loss in 17 games for Mitsch's.

Mitsch's outscored Richland from the field but Ford's 11 free throw conversions helped make the difference.

Benny Hogan Wins Playoff

LONG BEACH, Calif. —(AP)— Golfer Jimmy Demaret has his own idea about Ben Hogan's "new" putting style.

Beaten by Hogan two strokes in the playoff yesterday for $2,000 top money in the Long Beach open tournament, Demaret confided: "The only thing different about Hogan's putting is that he's getting humpbacked picking up those 10-foot putts out of the can."

It was a 20-foot putt on the thirteenth, coupled with an earlier two-footer that Jimmy missed, which had a lot to do with Hogan's four-under-par 34-33—67 victory in the playoff.

Demaret shot a 35-34—69 for the 35-36—71 Lakewood Country club course. But he hardly bothered to line up the measly two-foot putt on the eighth green and missed it.

Gump's Win Again In Shelby League

SHELBY — Gump's maintained its lead in the Shelby City basketball league last night by walloping the American Legion, 54-17. Ed Vanderbilt, leading scorer of the Mansfield City A league, led Gump's with 21 points.

Ohio Seamless Tube beat Bing's, 33-25, and Shelby Salesbook surprised the Merchants, 44-42 in the other games. B. Tooker led the Merchants with 16 points while Swart got 15 for Salesbook and Cole 13 for Seamless Tube.

Senior High Rolls Over Ross, 59-40

FREMONT—Mansfield Senior high school's basketball team smashed its road jinx in a convincing fashion here last night, defeating weak Fremont Ross, 59 to 40.

Coach Vern Hoffman's Tygers had dropped five in a row away from the friendly confines of the Senior high court. In the Tyger lair, Senior high is riding a crest of 17 straight victories. That record will be endangered when tough Columbus East invades Mansfield Friday night.

Ross high, an underclassmen-studded aggregation, actually kept in a contending position until late in the third quarter. Fremont led at four different stages of the first period before Jimmy Anderson connected on a one-hander to give Mansfield a 13-to-11 lead at the intermission.

AHEAD BY FIVE

A free toss by Big Norb Shibinski and a one-hander from the corner by Ken McCally gave the Tygers a five-point bulge at the start of the second quarter. However, Ross kept pecking away and cut the lead to 19-18. Then Anderson got three straight points and Mansfield increased its advantage to 28-22 at the half.

McCally tossed home 12 points to pace the Tygers' second half drive. The Bengals were in the van only 35-28 when six straight points put the game on ice. Score at the quarter was 43-30.

In the last eight minutes, McCally notched seven points and Anderson six as Senior high continued to pour on the coal.

Anderson nudged McCally in over-all scoring, 15 to 14, while Capt. Paul Ferguson counted 10. He got nine of them in the first half.

SHOOTING BETTER

Mansfield's shooting seemed to perk up on the long, narrow Fremont court. The Bengals made 23 of 66 shots from the court and 13 of 20 from the free throw lane. At one time, the Bengals got six straight gratis hits.

Shibinski fouled out in the third quarter and Ferguson and Ed Demyan followed in the fourth. Dick Sherman, Ross forward, also went out in the fourth stanza.

Ross could count only 11 fielders through the Tygers sliding man-for-man defense but made 18 of 32 fouls.

SOPHS LOSE SECOND

The Tyger sophomore team went down to its second defeat in 11 games before the Fremont reserves, 37 to 33.

The Ross club led by periods—12 to 9, 26 to 14 and 33 to 22.

★

Willie Fowler junior guard, was cut loose from the varsity squad last night when he refused to enter the game in the last four minutes. Fowler had not missed a game this season and had been in the starting lineup four times. The high-jumping junior had 36 points.

★

Ineligibility has caught up with George Shoulders, the smooth dribbling soph. guard. He's off the squad until he can raise his grades.

Cleveland Barons Take Over Lead

(By International News Service)

The Cleveland Barons were the new leaders of the American Hockey League's Western division today for the first time since the early days of the 1948-49 campaign.

Center Johnny Holota paced his teammates with the three goal "hat trick" in Washington last night as the Barons routed the Lions', 6-1, and squeezed by St. Louis into the lead.

Wesleyan, Kent State Win Top Ohio College Games

(By Associated Press)

Ohio Wesleyan defeated Ohio university's basketball team 52 to 44 and Kent State downed Baldwin-Wallace 66 to 59 last night in two of the state's top court clashes.

It was the Bishops' sixth victory in a row in downing the Bobcats of Ohio university. Jud Millhon, Wesleyan's sophomore center, sparked his team and took scoring honors for the evening with 19 points.

George Fulton, a five-foot, seven-inch guard, provided the push for Kent State in its victory over Baldwin-Wallace. He harried B-W's top scorer, Dick Selgo, all over the court. Selgo made only one basket and was benched as the final quarter started.

Johnny Collver scored 21 points for Kent to take scoring honors.

FOURTH IN ROW

At Hiram, sparked by George Spikerman's 33 points, Hiram swamped the Canton branch of Kent State university 96 to 56 for a fourth straight win. The bombardment set a new scoring mark for Hiram gym. The old mark of 86 points was set by Capital university of Columbus in 1946.

At Ada, Ohio Northern's Polar Bears marked up their seventh basketball win of the season by defeating Huntington college of Indiana 73 to 65. Ohio Northern came back to win after trailing at halftime by four points.

The University of Dayton Flyers had little trouble in gaining a 63 to 40 win over Kentucky Wesleyan. It was Dayton's 10th win of the season against seven losses.

To Try Again

PITTSBURGH — (UP) — Elmer Riddle, 33-year-old Pittsburgh Pirate pitcher who staged a "comeback" last season and won 12 games, was signed to a 1949 contract today and ready to try it once again.

Riddle, former Cincinnati hurler, emerged from temporary retirement in 1948 to help the Pirates in their climb to first division. In the waning months of the campaign, however, he was forced to the sidelines with a sore leg.

General manager Roy Harney of the Pirates, who announced Riddle's signing, said the pitcher had added a note to his contract explaining his leg was fully recovered.

DiMag Enroute

BOSTON — (UP) — Boston Red Sox centerfield Dom Di Maggio was en route to the west coast today "to think it over" as far as signing his 1949 contract was concerned.

The bespectacled ballplayer conferred with Red Sox officials yesterday and then left — without signing on the dotted line.

Meanwhile, the Sox announced southpaw Mickey Harris had signed his 1949 contract. Harris won seven and lost 10 last year and had an earned run average of 5.29.

★

Keller Signs

NEW YORK —(INS)— Charlie Keller, the hard-luck outfielder of the New York Yankees, has signed his 1949 contract and reports that he is in top shape after two seasons of injuries

Club officials announced today that Keller had come to terms for his 10th Yankee campaign, but did not disclose details.

In 1947 he was missing from July on due to a back operation and he was hitting at a .316 clip last season when he fractured his hand in an attempted shoestring catch and missed nearly two months in mid-season.

PHILADELPHIA —(UP)— The Philadelphia Athletics streamlined their squad today with the sale of outfielder Austin Knickerbocker to Toronto of the International league and infielder Dick Adams to Savannah of the South Atlantic league.

Freddies Romp To Win No. 17

FREDERICKTOWN — Fredericktown scored more points in half the game than Mt. Vernon St. Vincent's did over the full route as it racked up its 17th consecutive victory, 70-31 here last night.

Merle Doyle, the Freddies All-Ohio candidate, led the scoring parade as he dropped in ten field goals. Center Earl Bechtel dropped in 17 points, and Guard Jim Ewers 14.

Joe Maxim, Ez Charles Go For Joe

CINCINNATI—(INS)—The scrap over who's to scrap with Joe Louis for the heavyweight crown took a new spurt today with a statement from Jack Kearns, manager of Joey Maxim.

Kearns told the Cincinnati boxing commission the winner of the Maxim-Ezzard Charles fight in Cincinnati Feb. 28 would meet Louis in Chicago this summer—and he had a telegram which at least partially backed up the statement.

The telegram was from the special events committee of the Cook county (Chicago) Democratic committee and it authorized Kearns to negotiate with any suitable challenge for the title.

JOE WANTS $400,000

Earlier word from Chicago was that the Democrats had turned down a Louis bout because the champion wanted $400,000 and a share of the other receipts for a title defense.

Kearns, former manager of Jack Dempsey, also turned up with some information on Louis' contractual arrangements.

While signing the final agreements for the Maxim-Charles bout, he said Louis is not signed by the Twentieth Century Sporting club, but has only a man-to-man agreement with Promoter Mike Jacobs.

Kearns' plea for an out-of-town referee for his boy's fight, on the ground that Charles would be fighting in his home town, met with chilly reception.

Georgie Knows Only What's In the Papers

CINCINNATI —(INS)— Quarterback George Ratterman of the Buffalo Bills was about as noncommital as you can get today about his reported switch to the New York Yankee-Brooklyn Dodger combine.

Ratterman's epic comment: "All I know is what I've read in the paper."

Hilborn's Scorching Pin Firing Fizzles

The scorching of the Colony alleys by Manager Art Hilborn was stopped last night as he rolled only 568—the first series under 600 in five outings.

Art had a good chance to get his fifth straight honor roll score going into the third game last night. He had 194 and 195 in the first two lines and needed only 211 to put him over the top. He slipped to 179, however.

Art's score was good enough for fourth place in the Elks league as Wayne Anthony and Aid Geiger showed the way with 178-207-206—591 and 189-212-190—591. Ace Dysart had 173-159-252—594. Other scores in the loop included a 564 by Harold Selby, a 555 by Leo Yuncker and a 542 by Paul Herlihy.

★

Only one honor roll score was chalked up last night as six leagues competed on the Colony and Richland Recreation slides.

W. Hoffman compiled that one in the Westinghouse C league at the Colony when he banged 204-213-197—614, Lou Tridico took second in the loop with 169-183-223—575 while Don Shipley had 193-193-186—572.

Others: I. Bautz, 554; I. Foust, 533; Lowell Mowery, 515, and Don Handwork, 514. Mowery had a 214.

★

Frank McDowell, Mansfield Tire league, had fine games of 213 and 241, but fell all the way to 136 in the finale for a 590.

Jim Dunn was runner-up in the circuit with a more consistent 184-223-181—588. Charles Bauer posted 578, Joe Siwek, 564, and Louis Herf, 542.

★

Geiger Distributing held its four game lead in the Transportation league as Harry Swimley paced it to a two out of three victory over Martin Steel. Swimley pounded out 152-178-210—540 to be runner-up to Tony Augustine who led the loop with 180-198-179—557.

B. Yeager took 533, T. Gerger, 530, Adam Karbula 525, and Elmer Oesch 523.

★

H. Cacot set the pace in the Richland C league with a 565 series he compiled for the MAPCO team. R. Krumm of Weaver's Supply was second with 558 while M. Pahls got 530 for Mansfield Rug. R. Phillips of MAPCO also got 530 and H. Carmel, Ritz Nite club, 515.

★

A 423 by Grace Chronister led Westinghouse women while Freda Robertson was runner-up with 479. Ruth Metzger had 374.

First Christian was the toast of Church league basketball after it handed First Methodist its first defeat of the season in the second half opening game last night. The score was 33-26.

The Methodists made a fine second half comeback but First Christian held off the rally just long enough to salt the game away.

St. Matthews trimmed Ontario Community, 36-29, and Park Avenue Baptist trampled First EUB, 54-7, in the other games on the YMCA court.

Millersburg Wins From Bellville 5

MILLERSBURG—Millersburg left Bellville in the dust in the first half, then held on the rest of the way to win a 33-27 decision here last night.

Millersburg led 19-6 at the half, but the visiting Blue Jays were coming fast when two starters, Bill Smith and Bill Lyon, fouled out. Bellville played the game without a regular guard, Bill Balliett, who was left behind with the flu.

It was the fourth loss against nine victories for Coach Harry Regula's Bellville team.

Millersburg also won the reserve game, 41-26.

Veeck Cannot Buy Yankees

NEW YORK —(INS)— The New York Daily Mirror said today that Cleveland Indians' president, Bill Veeck, was turned down recently when he made an informal offer to buy the New York Yankees.

The newspaper quoted Del Webb, co-owner of the Yanks, as saying that he told Veeck the club was "not for sale." Webb was quoted as informing the Mirror:

"Veeck is like a thousand other guys who would like to buy the Yankees."

He added that the sport-shirted Cleveland impresario made "no concrete offer."

Yorkville Cager Bangs Home 65

MARTINS FERRY —(AP)— Ken Alessi, high scoring star of neighboring Yorkville's high school basketball team, put in a strong bid last night for a state record by ringing up a total of 65 points.

The high score was made during Yorkville's 93 to 59 win over Adena. Alessi made 25 goals and converted 15 out of 20 free throws to run his season's total to 625 points.

Crestline Nips Madison Court Rally, 47 to 45

Rams Stay Behind All During Contest

By CHARLEY STINE

CRESTLINE—A long uphill fight by the Madison Rams fell one basket short here last night as they bowed to Crestline high school's tall quintet, 47-45.

The game was one of those nip-and-tuck battles where any number of things could have changed the outcome. Contributing to the Rams' defeat was a slow start, the expert foul shooting of Crestline's Big John Johnson and the ill-luck of Russ Glenn who hurried a last-minute layup and missed the tying goal.

Johnson set the scoring pace for both teams with 20 points while Joe Distl looped in 17 for Madison and Ed Chelski collected 16.

COTS LEAD ONE

Madison trailed by three points when Chelski was fouled and given two free throws with six seconds to go. He sank the first one and, after a time out, Madison took the second out of bounds Glenn, a surprise starter over Jim Brightbill threw the ball in, then broke into the clear for a pass but rolled the ball off the rim.

The last-minute drive would have been unnecessary, however, had Madison played a little better ball in the opening minutes. They were never ahead at any time as they tried too many wild, long shots early in the game.

Crestline opened the scoring on a pair of free throws, then let the Rams tie for the only time when a "longie" by Chelski rang home. Two baskets by Miller and a free throw by Woods put Crestline ahead 8-3 at the quarter. Madison soon closed the gap to 9-8 then slipped into the doldrums as the Bulldogs took an 18-13 half-time advantage

SPARKS DRIVE

The Rams picked up some in the second half but Johnson's 16 last-half points held them at bay. Ray "Dutch" Bader sparked the third quarter drive which pulled to 27-24 but Crestline again turned on the heat and led 33-27 going into the fourth period. They added one point to make it 42-35 when the official's time out stopped the game with three minutes to go.

Distl scored six points before bowing out in the last minute but five counters tipped in at the crucial time by Johnson spelled the difference.

It was the fifth defeat in 11 games for Madison

WINS FIFTH TILT

Madison revitalized reserve team won its fifth game in six starts by doubling the score on the Crestline seconds, 28-14.

The Rams three "beanpoles," Marty Keipp, Jerry Tallentire and Kenny Woerth, showed the way with 10, 8, and 7 points. The trio controlled rebounds on both back boards with little trouble.

Giants Expect to Win Pennant

By PAT ROBINSON

NEW YORK — (INS) — You may have noticed that the front offices of the New York Giants have been strangely silent this winter on the team's prospects.

There is a reason for the silence Everybody from owner Charles .Stoneham and Manager Leo Durocher down to the bat boy expects the team to win the pennant.

The reasons for this unwonted optimism are three-fold·

First, Durocher now knows what his men can do and they'll start with a clean slate

Second, there is sure to be an improvement in the pitching department — because if there is any change at all, it is sure to be for the better. It couldn't be worse.

Third, the team will have a higher morale and drive and some of the fellows who were below form last year figure to hit their true stride this season.

Of course, there are a few "ifs."

For instance, the biggest "if" hinges on Walker Cooper, whose injured knee made him virtually a total loss to the team last year. If Walker's knee has mended, he should be the best catcher in the league and one with plenty of authority at the plate.

Walker, Sid Gordon aand Johnny Mize gave the Giants a home run punch second to none in baseball With all clicking in normal fashion, they figure to total at least 100 homers

The infield should show a big improvement Gordon, of course, is solid. Bill Rigney at second and Kerr at short had off-years last season. but they should stand up this time If either fails Durocher has the steadily improving Jack Lohrke to fill in at either spot Indeed, Lohrke might win himself a regular berth at second base.

Mize is Mize, as Durocher says. The best you can say of his play at first base is that it is adequate.

Willard Marshall and Bobby Thomson were far below their normal form last year. Both are young and both figure to do much better now that they know what Durocher wants and expects.

They, and the brilliant Whitey Lockman, should comprise a fine outfield. The trick will be to get them hitting at the same time.

Stillwell Hits 11 Field Goals

Led by Stillwell's 11 field goals, the Friendly House Trojans moved past Farmer's Market, 41-26, in the Friendly House Senior league last night. Rex Balliards took Sponsellor's Brake, 37-22, in the other game.

FARM BUREAU FIELD SEEDS

Your Farm Bureau owns and controls the Allied Seed Plant at Fort Wayne, Ind. Your field seeds are all processed in this plant. Every lot is recorded and after it is cleaned and tested and treated with the Kemfee process are sent back to the sections of the country from which they were produced. This assures the farmer of adaptability. The Kemfee process is exclusive with the Farm Bureau and no other seed company can use it That is the reason Farm Bureau seeds are the best seeds available and the best seeds are the cheapest. Buy your seeds cooperatively from your cooperative. Available at Mansfield, Bellville, Lexington, Shelby, Shiloh.

Lexington Sophomore Rated High

Honor, Merit Roll Ratings Announced

LEXINGTON—One student at Lexington high school has been placed on the honor roll for the first semester. She is Nancy Schneider, a sophomore.

Also named to the honor roll from the eighth grade were Carol Bemiller, Alice Carpenter, Doris Lehnhart, and Mary Jane Worley. Seventh graders on the honor roll are Mary Divelbiss, Paul Shuler and Marilyn Wiles.

A student must have all A's in major studies to be listed on the honor roll.

The students listed on the merit roll include Marion Altman, Ronald Bender, Nancy Gore, Nancy Kisling and Rosalee Rogers, seniors; Richard Beighley and Lois Hurrell, juniors; Margaret McFarland and Natalie Schneider, sophomores; Charlotte Wilkinson and Dorothy Cunning, freshmen.

From the eighth grade students on the merit roll include Patty Balph, Evelyn Haring, Ellen Johnson, Natalie Prosser, Connie Rogers and Lynn Schneider. Seventh graders on the roll include Ann Algire, Patricia Balderhausen, Joan Ford, Robert McFarland and Marie McLaughlin.

Trustee Term Change Voted

The words "executive committee" inadvertently were omitted from the story in last night's News-Journal of the constitution changes voted at the annual Community Chest meeting.

The change calls for a rotating executive committee elected by the board of trustees, with three groups of three each elected for one, two aand three years, respectively. No member shall be eligible for re-election to a consecutive three-year term after having served a three-year term.

Following the reorganization meeting of the board of trustees, the following were elected to the executive committee: Lewis F. Hartman, W. A. Brandenburg and Rev. Matthew G Madden three-year terms; W. E. Slabaugh, Fred Hout and Orlo L. Smith, two-year terms; Desmond Walker, Brooks Huber and Robert Salsbury, one-year terms.

From this executive committee, the following officers were chosen: Slabaugh, president; Hartman, vice president, and Smith, treasurer, all re-elected, and Walker, secretary.

4-H Project Plans Urged

Letters have gone out to boys in 4-H club work who finished their projects for 1948, urging them to make plans now for poultry and livestock projects for this year.

County Agent C. N McGrew who sent out the letters urged the boys to return enclosed cards so that his office will give aid in selecting an animal for a 4-H project. The animals would be entered in the Junior Fair competition in August.

Among the projects which blue members could begin are dairy or beef, poultry, pig, or market sheep projects.

Guard Gets Set For Inspection

Special drills were begun last night at the Armory by the Ohio National Guard, Company F, 145th Infantry for the unit's annual inspection to be held March 2. Capt Charles A. Boughton company commander, explained to the men how the inspection will be carried out and each man's part in it.

Capt Boughton then distributed the enlisted men's payroll of approximately $3,000.

Sid Gillman Tells Cincy Fans Not To Expect Too Much

CINCINNATI—(AP)—"Don't expect too much," Sid Gillman, the University of Cincinnati's new football coach, has cautioned Bearcat supporters.

Building a good football team "takes time," Gillman told a luncheon group here.

Referring to himself and his two new assistants, George Blackburn and Joe Madro, Gillman said:

"We're just three guys who like football and we'll do the best we know how in raising the level of football at the University of Cincinnati."

Gillman was assistant coach at Army for a year before he signed with U. C. Blackburn was Miami's head coach last fall and Madro was his assistant.

Bucks to Play Spartan Team

COLUMBUS —(UP)— Michigan State, recently approved as a member of the western conference, will appear on the Ohio State University football schedule in 1951, OSU Athletic Director Dick Larkins announced today.

The game will be played in Ohio stadium here Oct. 6, giving the Buckeyes six home games and three on the road that year.

Michigan State and Ohio State have met only once on the gridiron, Larkins said. The first—and last—time the teams met was in 1912, when Michigan State won, 35 to 20.

Peggy Is Leader

MIAMI, Fla.—(AP)—Peggy Kirk, Findlay, Ohio, yesterday shot a three under par 73 to lead qualifiers in the 17th annual Helen Lee Doherty tournament. Polly Riley, Fort Worth, Tex., and Bettye Mims White, Dallas, Tex., came in second with 75.

U. S. Gets Ready For Invasion By Billions of Grasshoppers

WASHINGTON — (·) — The United States is getting set for a hot war with the grasshoppers this year.

"Grasshoppers by the billions are expected in wide areas," the agriculture department said today. "At the present time, everything points to the worst."

The crop-eating pests have been on the increase since 1947, the last bad year was 1940

The 'hoppers are expected to be particularly bad this year in eastern Montana. Wyoming and Colorado, in western Nebraska and Kansas and in Texas. Outbreaks also are deemed possible in nearly every other state west of the Mississippi, except in the far northwest.

"Egg beds of a single species cover more than 100,000 acres in northwestern Nevada and adjacent areas of Oregon and California, the department said. "This species has only recently reached areas of cultivation."

While things look bad now, the government entomologists cling to some hope, saying:

"Weather unfavorable to the 'hoppers during their hatching period next spring, or parasites, disease, and predators, may come to the rescue of farmers.

"If these natural control factors fail, every available weapon that can be used against them will be brought into the fight to save crops and grasslands."

Rhapsody In Blue
Describes the impression you will get when you step into the living room of this lovely home. Above the fireplace is a ceiling-high mirror and flanking the fireplace and mirror are open book shelves and cupboards—all painted aqua blue. This color motif is carried out in the hearth tile, the drapery cornices, and in the background of the figured wall paper. In contrast, the heavy wall-to-wall carpeting is wine colored Full-width arch ways open into the sun room and dining room, giving width and depth to your entertainment space Large picture window in sun room brings in the winter sunshine and light, and gives an ever-changing view of an avenue of elms and maples. The newly remodeled kitchen has double sink, white-enameled built-in cupboards and cabinets, breakfast nook, and is wired for electric range. Hardwood floors up and down. Second floor has 3 good-sized corner bedrooms and newly tiled bath with shower above built-in tub. Thermostat controlled coal furnace 2 car detached garage. This frame home is located off W 4th St near Senior High Priced at only $14,000.

MODERN TRACTOR POWER FOR SMALL FARMS . . .
THE NEW MASSEY-HARRIS
Pony

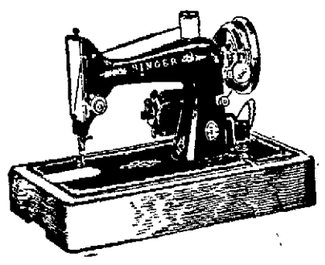

The new 1-plow Pony . . . the latest addition to the famous Massey-Harris tractor family. Now, top tractor performance for even the smallest farm. It's a husky little tractor with plenty zip to do a faster, easier job of your work. And you'll like the complete line of mounted tools to go with the Pony . . . everything you need for a good, clean job of plowing, discing, planting, cultivating or mowing.

The Pony is just what small acreage owners have been waiting for . . . the lively power you need for fast, efficient farming . . . more profit from your operations. And those fast working tools mean stepped-up production . . . a better job of all your work. They're easy-on and easy-off implements—that save time even before you get into the field.

Come in soon. Let's talk over the advantages of a Massey-Harris Pony on your farm.

HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

Ohio Turnpike Bill Off to a Roaring Start In Legislature

Proposal Up For Its 1st Hearing

Favorable Attitude Cited By Winter

By REED SMITH

COLUMBUS —(AP)—Legislation to give Ohio toll super-roads like the famed Pennsylvania turnpike got off to a fast start today on its general assembly tour.

The Senate Highway committee called up the controversial measure for its first hearing. Sen. Ralph A. Winter (R-Medina), turnpike sponsor, said favorable consideration was indicated.

Whether the Senate will try again this afternoon to confirm Democratic Gov. Frank J. Lausche's appointment of Republican H. D Defenbacher as State Finance director remained uncertain.

Sen. Edwin F. Sawicki (R-Cuyahoga) said he might bring up his motion to reconsider the vote by which the Senate last week turned thumbs down on Defenbacher. The motion was left pending for consideration at any time.

Seventeen affirmative votes are needed for confirmation. Majority Democrats have 19 Senators but they were able to muster only 14 votes on the first test. Four party members joined six Republicans in voting "no." One Democrat was absent.

Lausche indicated he intended to keep Defenbacher regardless of Senate action. He told newsmen he planned to resubmit Defenbacher's appointment to his cabinet if the Senate turned him down.

Sawicki hinted he would vote for confirmation only if the Cuyahoga county faction was taken into the majority's "family circle." He claimed they hadn't been consulted on important matters since they supported Boyd for Senate majority leader Boyd lost to Sen. Margaret A Mahoney (D-Cuyahoga), a Lausche stalwart.

The turnpike measure would create a commission empowered to build and operate four-lane highways charging tolls to users. Money collected would go to retire bonds sold to raise private capital to construct the roads

When bonds are paid off, Winter said the roll road would be "given" to the state highway system as a free route.

'Snoopers' On the Way Out For Ohio Secretary of State

COLUMBUS — (AP) — Ohio Secretary of State Charles F. Sweeney is going to do away with 'snoopers" in his office.

In place of the "investigation department" in the state department, there will be a "department of public relations," Sweeney said today, in a speech prepared for delivery at a meeting of members, clerks and deputy clerks of the state's 88 county boards of election.

The meeting was called by the secretary.

During the session, reports will be presented from a committee for the proposed Association of Ohio Election Officials.

In his prepared address, Secretary Sweeney said of the association:

"I am sure the Association of Ohio Election Officials will become a vital force in the administration of the Ohio election laws and I want to assure you that I will cooperate with you in every way to make Ohio stand out as one of the leading states in the administration of election laws.

"It is my idea to abolish in the office of the secretary of state what has been known in the past years as the 'investigation department.' In place of the investigators, who in the past have been "snoopers," there will be established the 'department of public relations.'

"The reason back of this change is that it is my idea and intention that the various 88 county boards of elections should be and, in fact, are an arm of the secretary of state by law and it is my sincere desire that we should all work together as one big family.

"I will most certainly investigate all alleged violations of the election laws, but at the same time I will, likewise, build up the good will and respect of the public for the proper administration of the election laws of Ohio."

Plans Rushed for Expansion Of Aerial Feedlift Program

(Continued From Page 1)

enough to do this rescue job alone—what we need is a 10-day thaw."

But Lloyd Soreson, Nevada rancher, said he believed the air force was doing "a damn swell job" of dropping feed to the herds and flocks.

"I haven't felt so good about this thing for a long time," he said "I felt pretty blue about the prospect of losing all my sheep. Now I think part of them can pull through."

A new danger arose as more and more of the range animals suffered the torture of starvation. A rancher reported finding about 500 of his 2,000 sheep dead Some had starved, but others bled to death internally from eating large chunks of sagebrush and bark from trees The splinters had punctured their intestines

For some ranchers, the hay-lift was too late A Garrison, Utah, stockman told of finding his 500 sheep dead

"It's going to be easy to count our stock this spring," he said bitterly. "All we'll have to do is walk out on the desert and count the piles of bones"

5 Crawford Rural Series Under Way

Two Programs Set In Schools Today

TIRO—Crawford County Probate Judge Constance H. Keller tonight speaks in the local school on "The Homemaker and Legal Affairs" It will be the third in a series of five programs for farmwives in the county's rural schools

This afternoon, at Lykens school, Mrs. Wilbur Beach and Mrs. Frank Swalley head the demonstration.

Yesterday a sewing machine demonstration was held in Mt Zion school with Mrs Warren Cooper and Mrs Harold George assisting Miss Wanda Montgomery, county home demonstration agent, who has arranged the programs

Friday afternoon, at Holmes-Liberty school, Mrs Walter Gearhart and Mrs. Adam Rossman are project leaders.

"The Hostess Herself," the final demonstration at Chatfield school Thursday afternoon, spotlights Miss Montgomery

Sent to Jail For Attack

Leonard Haynes rear 276 North Franklin avenue, was sentenced to 10 days in the county jail today after he pleaded guilty in municipal court to an assault and battery charge brought by Sam Black, of the same address

The charge grew out of an early Monday morning attack on Black who was struck with a milk bottle and was hospitalized due to the loss of blood The fracas took place at the rear of 276 North Franklin avenue

In other cases, John L Breckheiser of Perrysville, was fined $15 and costs for passing a school bus while it was discharging passengers, and Harold C Shackman, of Cleveland, forfeited a $25 bond for speeding

U. S. Steel Races Ahead On Market After Slow Start

NEW YORK —(AP)— U S Steel corporation common stock raced ahead of the stock market after a delayed start today

Steel failed to appear on the ticker tape until 35 minutes after the opening gong. The initial sale of 15,000 shares was made at a gain of 3⅜ points at 76¼ although this advance was later toned down to around 3

Demand for Big Steel was touched off by the news, which came out after the close yesterday, of a special dividend, a stock split-up proposal, and the highest earnings in 1948 since 1929

Holding on to gains running to around a point or so were Jones & Laughlin, Bethlehem Youngstown Sheet, National, Wheeling, American Telephone, Electric Power & Light, Air Reduction, Philip Morris, Radio corporation, American Tobacco (helped by an extra dividend), and Twentieth Century-Fox

AN INDEPENDENT NEWSPAPER

PAGE FOUR MANSFIELD, OHIO, WEDNESDAY, JANUARY 26, 1949

Yes, if you'll look closely you will be able to detect that the days are getting longer.

It is promised of that new three-wheel auto that it will 'round corners at 50 miles an hour without overturning—Boy! wait until the teen-ager gets behind the wheel of one of those!

Who'll Be Candidates For Mayor?

WITH a week from today as the final date for filing declarations of candidacy for city offices, it now appears that at least one of the parties may develop a contest for nomination to the office of mayor, which might not be a bad idea as voters would then at least be given opportunity for expression of preference, which might induce a larger turnout at the May 3 primaries.

Just how much basis there is for the talk that former Mayor William J. Locke may attempt a comeback for a fourth term, against the third term aspirations of present Mayor Roy W. Vaughn cannot yet be determined. However, a new name has been introduced into that situation—that of First ward Councilman Thomas B. Wright, and there is also the name of former Councilman Russell Porch being mentioned as a possible contender for the Republican nomination as mayor. Thus far there has been no mention of the name of Earl A. McFarland, another former Republican mayor, as a possible contender for this year's nomination, although the importance of his position in the political activities of his party is recognized.

On the Democratic side there is appearance of inclination to allow former Councilman Charles O. Anglin another chance in the mayoralty race, which he lost to Mayor Vaughn in 1947 by around eleven hundred votes, having received 5,122 against Vaughn's 6,228 in the rather light voting of that year.

Several other names have been casually mentioned as possible Democratic candidates for nomination as mayor but the office does not seem to be sufficiently attractive to induce serious competition.

That, however, does not detract from the importance to Mansfielders to have some really competent person as the city's chief executive, and it may be hoped that the choice of such a person may be made possible next November by one or the other of the political parties.

China Considers 'Price of Peace'

NANKING is no longer the capital of China. The government has fled southward. Indeed, Chinese governmental affairs seem now to be pretty much in a state of flux, with little purpose other than to save some shred of control from the wreckage that seems sure to come with victory of the communist armies.

The communists reportedly have agreed to peace talks in Peiping. As the price of peace they will undoubtedly demand a communist at the head of a new government. The Nationalists probably are prepared to accept such a demand, but they are not ready to relinquish all voice in government. They would want a genuine share in a new coalition government now, just as the communists wanted a genuine share in the government two years ago, when Chiang Kai-shek offered them meaningless token participation. If the communists are willing to enter such a coalition, peace now seems possible.

But if the scent of victory is too strong for the communists, if they now seek total conquest, then probably more years of strife and bloodshed lie ahead for China.

Glattke Well Fitted For New Post

AS ARTHUR L. GLATTKE advances from the superintendency of the Ohio State Reformatory to the position of chief of the division of correction of the state welfare department, there will be hope that many of the fine suggestions that Mr. Glattke has offered for improvement of Ohio's penal, reformatory and detention institutions can be translated into realities.

One of the inescapable weaknesses of the State Reformatory, which Mr. Glattke has mentioned frequently, is the mixture of all sorts of youthful offenders sentenced to that institution, and he has placed constant emphasis on the need for a classification center designed to "screen" incoming prisoners according to types of crimes, mentality and psychopathic tendencies.

Improvements brought about at the reformatory within the almost fourteen years since Mr. Glattke came here as superintendent provide ample evidence of his competency and his untiring efforts to do a good job within the limits of facilities and finances.

His record here, coupled with his growing knowledge of progress in the fields of penology and criminology, will undoubtedly serve well in equipping him for the broader opportunities which will open in his new position.

After years of pleasant associations it seems likely that Mr. Glattke's interest in Mansfield will continue and that he will find time to keep in touch with friends and acquaintances here, and also—just possibly—get back occasionally for a football game.

No Cause For Alarm, It Seems

THERE are some activities that no one need worry about.

One is the fact that the Russians have been buying American air maps and ocean charts.

Disturbing as this may be to some people, both the Navy and the Coast and Geodetic Survey say that there is absolutely nothing confidential in either the maps or the charts. They are public records which anyone having the price (anywhere between 5 cents and $1.20) can buy with no questions asked.

A North Carolina man, at the age of 110, attributes his longevity to eating turnips and possum—which raises the question as to whether it's worth it.

After studying the situation, one critic concludes that the so-called Fair Deal "is just fair to muddling."

What Some Other People Are Saying

CARROLL REECE, former national chairman of the Republican party: "Unless the GOP wins in the 1950 congressional elections there may be nothing to fight about in 1952."

* * *

SEN. LONG (D-La): "The proposed changes in filibuster rules are a Republican approach. . . . They don't want to solve anything as much as they want to get Democrats fighting among themselves."

* * *

Vice President ALBEN W. BARKLEY: "I regret my disassociation with the Senate, but I will be hanging around for four years."

This May Not Be a Stratosphere Flight After All.

Raymond Moley's Analysis

Money Troubles Hamper World Trade

PRESIDENT TRUMAN'S glowing picture of world aid will need a framework of international monetary reform. For merely the pouring out of American money and goods will not do the job.

Last year began with worries about world food production. This year there is food, but distribution is paralyzed by the disintegration of monetary systems.

This is the conclusion of Edith J. Hirsch, industrial and food economist. There is mounting evidence that her warning should be taken seriously.

Mrs. Hirsch goes on to point out the deficiencies and surpluses exist in the same commodities at the same time. Sugar is rationed in a number of European countries while Cuba is looking for markets.

Denmark is rationing sugar in order to export it because her high-cost sugar has preference over the low-cost Cuban product. Citrus fruit is badly needed in most of Europe, although American growers have been complaining about rising supplies.

The countries with the largest surpluses have a serious lack of currency. The currencies of the United States, Canada and Cuba are scarce and, despite the E.C.A., they will remain scarce until these countries decide to increase imports.

The hard money which we are making available through exports, loans and gifts is being absorbed by the need for so-called investment goods such as industrial and agricultural equipment.

Many countries formerly dependent on imports for food have learned to be self-sufficient by producing more high caloric bread and potatoes and fewer livestock products and fruit.

Since semi-socialism has made government planning more prevalent, these food policies are becoming much easier to enforce.

* * *

AS THE world's monetary system disintegrates, certain markets are drying up—notably those for wheat and barley. There is one market for "dollar grain," another for pound sterling grain. Finally there are the barter-trade wheat markets.

Prices in these markets are not uniform. They reflect the distortions in the official exchange rates of currencies.

The countries behind the iron curtain which have generally gone over to a barter economy seem to be gaining in their trade with Western Europe.

Great Britain, after the benefits of years of generous giving from Canada, now regretfully tells that sister commonwealth that Great Britain must reduce its purchases of beef, eggs and cheese.

Meanwhile, she has made a five-year trade agreement with Poland which will bring bacon and eggs to the island. Eggs are flowing from Bulgaria. Next year, when our meat production expands, we may have to refuse Canadian meat.

Despite the fine words of international organizations and grand plans for commodity agreements, the hard fact of unworkable monetary systems remains.

Moreover, our grand assertions about capitalistic superiority will have to be implemented by monetary statesmanship, if barter, the foster child of totalitarianism, is not to make great gains despite all our efforts.

Looking Back

Twenty Years Ago Today

Saturday, Jan. 26, 1929.

Brown Merchandise company discontinued wholesale business that has been conducted at 131 North Diamond street for 57 years.

Walter S. Robinson, 50, was killed when struck on head by limb that fell from tree on his farm northeast of Mansfield.

Miss Mary Anne Karcher and Russel E. Gimbel were married in St. Luke's Lutheran church by Rev. Herbert S. Garnes.

George Smith of Mansfield Printing company was injured in auto collision at corner of Fourth and Mulberry streets.

Miss Katherine L. McIntire and William H. Treisch were married by Rev. W. Elmer Bailey.

Joseph W. Hanna, 99 East First street, was injured when struck by auto that ran over curb after collision.

Little friends attended birthday party given for Martha Eglesberg at her home, 324 Lexington avenue.

TODAY IN HISTORY

The first contingent of American soldiers to arrive in Europe during World War II landed at Ulster, Northern Ireland, on January 26, 1942.

Dave Boone Says:

IF YOU'VE been successful in life, saved up enough to own your home and maybe been to college, you are unfit to be a fair man on a jury, according to the contention of lawyers in New York's communist trials. Those attorneys should get Oscars for the queerest arguments of 1949.

* * *

One of the lawyers asked a juror, "Do you own your home?" with all the ferocity of an accusation. And when he demanded, "What's its assessed valuation?" he put into his query all the feeling the old-time mouthpiece used to put into the stern: "When did you stop beating your wife?"

* * *

I take it nothing can disqualify a fellow for jury faster than going to college, owning a home or getting a fair salary, except an admission that he believes in the old-fashioned American way of life, owns a set of golf clubs or was once seen smoking a quarter cigar.

* * *

But I think the man who still scores tops in the hearings is the fellow who, when asked, "Is your name on any college list?" replied, "No! unfortunately I didn't have the benefit of the education you seem to have; I had to work my way up in life."

ABC On Rent Controls

By JAMES MARLOW

WASHINGTON — Here's an ABC on the highlights of the bill to keep rent controls two years more.

Some of President Truman's Democratic leaders in Congress have introduced it in both Houses.

Rent control dies March 31, 1949, unless Congress passes a new law. This bill, if it becomes law, will extend controls to March 31, 1951.

It seems certain Congress will pass some kind of law to keep rents down. If it acts on this bill, it may make changes in it before voting it into law.

So this story explains the bill as it stands now. In general, it would continue control as now, under a top man, called a housing expediter, and local advisory boards.

But it would toughen the present law and give the government more controls.

This bill would let the expediter charge a wilful violator with a criminal offense. The penalty if found guilty in court: Up to one year in jail, or a $5,000 fine, or both.

(Under present law, there's no criminal penalty for anything. A tenant can sue a landlord, who overcharges him, for triple damages.

(Or, the expediter can ask a judge for an order telling the landlord to stop overcharging).

The bill would put back under control all hotel accommodations, except those for transients only.

Under this bill a landlord would have to get permission of the expediter before he could put a tenant out of his house or apartment.

(The present law allows a landlord to evict a tenant for six or so reasons laid down in the law, without the expediter's permission.)

* * *

Veterans Protected.

THE BILL would continue for two years or more the housing preference given war veterans under the present law. This means:

1. You couldn't sell a single family house which you built or converted after June 30, 1947—unless you did it for your own use—without letting a veteran have first chance to buy it.

2. You couldn't sell it for less than the price offered the veteran.

3. The same goes for any house or apartment or room that is offered for rent and has been built or converted after June 30, 1947.

What about a place where a tenant voluntarily signed a lease agreeing to let the landlord raise his rent 15 per cent in the past year or so?

Such a place isn't under control now, even under present law. But under the new law it would go under control—but at the lease rental. In other words, the landlord couldn't get another increase.

What of a place where you had such a lease, with a 15 per cent increase, and the lease has now ended?

Even under present law the place would go back under control when the lease ended. The bill would put it under control, too.

Does this mean that in either case the rent would be rolled back to some figure that existed before the lease was signed? No.

It would simply mean the landlord could not boost you after this bill became law, without the expediter's approval.

This bill would give the expediter power to control, or decontrol, any dwelling converted into some other kind of dwelling between March 31, 1949, and March 31, 1951.

And, under this bill the expediter could control the rent on any dwelling which was not rented between Feb. 1, 1945, and the time the present bill became law.

The present law removed controls from a dwelling which, if it had been unrented between Feb. 1, 1945, and April 1, 1948, was rented after April 1, 1948.

Sabotage Threatens Truman Tax Plans

By DREW PEARSON

WASHINGTON — Administration spokesmen on Capitol Hill are beginning to wonder whether President Truman's tax program may be another victim of "government-by-crony." In this case the crony is good old John Snyder, secretary of the treasury.

The re-enactment of a modified excess-profits tax on corporations was recommended by Truman in both his 1948 message on the state of the Union and in his address to the special session of Congress last July.

It was recommended, however, despite the violent objection of John Snyder, who was so opposed that the President had to turn to his Council of Economic Advisers for tax advice.

This year, with corporate profits at an all-time high, such administration stalwarts as Rep. John D. Dingell, (Mich.), Rep. Herman Eberharter (Pa. and Sen. Joseph O'Mahoney (Wyo) came to the conclusion that another excess-profits tax recommendation was certain to come from the White House. So they prepared bills for an excess-profits tax to be introduced early in the 81st Congress.

Much to their amazement, however, they were left out on the limb when the Truman state of the Union message significantly omitted any reference to an excess-profits tax.

Inside story is that Economic Councilor John Clark, head of an interdepartmental group on fiscal policy, finally gave up the fight for an excess-profits tax because of the obdurate sabotage and opposition of Secretary Snyder—long considered the President's closest personal friend.

Snyder has even gone to the extent of placing his treasury tax technicians "under wraps." They are not available for conferences with the President's staff or with administration leaders at the Capitol. Snyder even went so far as to refuse a request from Budget Director Webb for the major outlines of a treasury tax program to be included in the President's budget message.

Secretary Snyder is now conferring in secret session with congressional leaders, but for the first time in recent history a secretary of the treasury will have no affirmative recommendations to present. Instead he will submit several "alternatives," thereby abdicating presidential leadership in tax policy.

The chaos within the treasury is emphasized by Snyder's refusal to choose between Assistant Secretary John Graham of North Carolina and General Counsel Tom Lynch of Ohio to represent him in policy discussions with congressional staffs.

White House aides privately admit that the lack of cooperation from the treasury is frustrating and that the Truman-Snyder friendship presents a serious hurdle to the attainment of a "fair deal" tax program.

* * *

Bricker vs. Dewey.

GOVERNOR DEWEY was tongue-stabbed in the back by his former running mate, Sen. John Bricker of Ohio, one day before President Truman's inauguration. At a testimonial dinner in honor of Sen. Margaret Chase Smith of Maine, Bricker was introduced as Dewey's running mate in 1944.

"It is true," snapped Bricker, "I campaigned with Dewey in '44, for Dewey in '48—and if Dewey had campaigned for himself, we would be inaugurating a different man tomorrow."

Note—Most politicians agree it was the record of such Republicans in Congress as Bricker that really defeated Dewey.

* * *

Housing Revolt.

ANOTHER revolt has broken out against the President's public housing program. This time, however, the shooting doesn't come from the real-estate lobby, but from some of Truman's strongest housing allies in the Congress.

Sens. Burnet Maybank of South Carolina and John Sparkman of Alabama, Rep. Frank Buchanan of Pennsylvania and other liberals are up in arms about the administrations' bill, introduced by Senator Ellender of Louisiana, which does nothing about the plight of war vets and others in the $2,000 to $3,600-a-year income group.

Inside fact is that the Ellender bill was written chiefly by Ray Foley, director of the housing and home finance agency, reportedly chummy with some of the big real estate lobby groups.

Foley and his aides made no provisions for helping to finance the $2,000-$3600 income group, though President Truman has repeatedly told housing leaders that this group—which Truman called the "backbone" of the nation—should be helped to buy homes, by direct government loans if necessary.

Senator Maybank is firing the first shot in the revolt against the Ellender-Foley bill by introducing an entirely new housing bill—with government-loan provisions for middle-income home buyers.

Merry-Go-Round.

AFTER Secretary of State Dean Acheson was confirmed by a Senate vote of 82-6, he announced the news to his Negro chauffeur. "I wonder," puzzled the chauffeur, "why the other fellow ran if he couldn't get but six votes." . . A group of congressmen are planning to introduce a resolution calling for a salary increase for Dr. Edward U. Condon, head of the federal bureau of standards, as a token of their confidence in the man who was under heavy attack from the Thomas committee . . President Truman's palace guard is putting tremendous heat on the chief executive to prevent him from appointing Louis Johnson as secretary of national defense . . American diplomats in China report that the new communist-dominated government of China will be completely independent of Moscow. Rex Harrison's Secret

By INEZ ROBB

NEW YORK—I never thought I'd live to see the day when I would meet a man who looks "purtier" in a Homburg hat than Anthony Eden.

But leave us face it: That day has come. The man is Rex Harrison, the British star of stage and screen. He is electrifying Broadway this season as Henry VIII in Maxwell Anderson's play "Anne of the Thousand Days."

How a man who looks as sensational as Harrison in a Homburg ever escaped the diplomatic service is amazing. "Don't take off that hat," I entreated him, as he started to sweep it off the day we met. "Leave it on and let me look!"

Harrison blushed nicely and clamped on the black Homburg. Then in a rush of gratitude and candor, he said:

"If other people only shared your passion for Homburgs, the world need never know I am losing my hair."

This touching admission, tantamount to a bank president's confession of grand larceny, suddenly made it clear that the two authentic matinee idols on Broadway this season are on the bare or bald side.

They are Charles Boyer in "Red Gloves" and Harrison as the Tudor cut-up, over whom droves of women swoon regularly at scalpers' prices.

I pointed this out tactfully, I felt. But it appeared cold comfort to Harrison. He said plaintively:

"Oh, come! Charles is a very nice fellow. Frightfully fond of him. But, really, I'm not nearly as bald as he is. Charles' forehead goes much farther back than mine.

"After all," said the British star as he ducked his head the better for me to see, "I've got strands!"

And, sure enough, where Boyer's hair has done a complete retreat from his face, Harrison's locks have left stragglers across the top which have not yet joined the general rout.

"See!" Harrison crowed, patting the strands fondly.

* * *

Likes It Over Here.

UNLIKE millions of other balding gents, Harrison has given up the struggle with his failing hair. He had two restorative treatments once. But they were "bothersome."

And, after the second, when he observed no on-rush of curly locks, he gave up the whole deal. Anyway, he is now of the cheerful opinion that the condition is arrested or "static."

The British star loves Broadway and New York. He even loved it when he first played in this country in 1936 in a flop called "Sweet Aloes." Naturally, his current association with a smash hit has not dimmed his view of the Great White Way.

Harrison believes an American audience is a little quicker on the up-take than an English audience. Americans react quicker to comedy, he finds, and the comedy has to be a bit sharper than on the other side of the Atlantic. A New York audience, he says, "is always a jump ahead of you."

Harrison believes the British drawing room actor is deader than the dodo. Why, I cannot imagine. To these dazzled American eyes, he seemed the apothesis of the British drawing room type, right down to the last clipped accent.

Above all, he has gaiety and wit, and a nice British gift for understatement. He is tall, thin, dashing, with a drape shape and clothes to match.

My goodness! Maybe's it's just as well he only has strands on top.

When he turned those neon blue eyes on me, it was all I could do to recall that I am a charter member of the Clark Gable girls, Local 802, motto, "Semper Fidelis."

Farmer's Diary

Should You Kill Weeds?

By CALVIN A. BYERS

MOST every farmer has heard the remark, "If land won't grow weeds, sure it won't grow anything else!" Artificial weed killers such as 2-4D are eyed with suspicion by some landsmen who fear that wholesale destruction of weeds may lead to losses comparable to destruction of birds because of the fruit and grain they naturally consume.

"It's simple enough to spray on stuff that makes "Scorched earth," I heard one farmer say, "but how do I know it won't sterilize the soil? Clean cultivation stirs the earth and leaves it aerated and ready to hold mosture - I'm sticking to the old way a while longer."

I have some quack grass I would like to kill, on a spot where I want to plant blackberries. I noticed that sheep relish this quack grass far down to the round stiff wormlike roots And groundhogs prefer it to clover. I wonder what merit there may be in those tenacious roots.

Weeds offer a challenge to the inquiring mind—not a challenge to kill, but a challenge to understand. Everyone knows that common weeds have values of their own.

Nettles strengthen other plants that grow beside them. Beggar weed brings fertility as any other legume. I wonder if there may not be food value in those tiny bean-like pods.

The American Indian prospered by letting wild things, both plant and animal, live using only what he needed for food and shelter It seems to me we are too anxious to destroy, to kill, to interfere with Nature's balance.

There must be a good reason why certain weeds appear after certain crops are harvested. Perhaps they restore the balance of the soil. Plowed down as green manure, perhaps weeds return to the earth what it needs for replenishment.

Certainly, when ground becomes barren, it is the creeping, tenacious weeds that move in to begin rebuilding new topsoil. It seems to me, by soil analysis, and study of the elements found in weeds, it might be possible and profitable to grow several crops successfully at the some time, upon the same land.

If I had a ton of 2-4D, I doubt if I would spray it upon my farm. I think, instead, I would swap most of it for soil testing apparatus, and seeds of interesting plants.

Tire Makers Attacked In New Bill

Would Limit Sale of Output

WASHINGTON — (AP) — Backers of the Patman bill to put tire makers out of the retail business contended today they are gaining new support.

The bill, introduced two weeks ago by Rep. Patman (D—Tex), would prescribe that only independent tire dealers be permitted to sell tires and tire materials.

It is aimed at major manufacturers who are said to be operating some 2,000 company-owned retail outlets in big distribution centers throughout the nation.

Patman's bill is now before the House Banking committee but Chairman Spence (D—Ky) has given no sign of his attitude on the measure.

Rep. Huber (D—Ohio), whose district focuses on Akron, the nation's tire-making center, said both proponents and opponents of the Patman bill have been presenting their arguments to him.

Huber said he is studying the proposal carefully but has not made any decision on it.

Submits Low Pipeline Bid

The Christopher Construction company, of Columbus submitted the lowest bid yesterday offering to build the mile and a quarter Clear Fork project raw water pipeline. Mayor Roy W. Vaughn said today.

A contract will not be awarded, however, until Carl Walker, consulting engineer of the Jennings—Lawrence company has had further time to study all bids and to recommend a bid as the best.

The Christopher bid totaled $95,631, offering to use concrete pipe in the construction. Other bids were received from the R. O. Darling company, which bid $96,553, the Charles F. McCurdy company, of Cincinnati, which bid $99,855, and the G. H. Leach company, of Bellefontaine, which bid $100,240.

All of the last three firms also submitted alternated quotations for the pipeline, specifing other types of pipe than the concrete variety at higher prices.

Von Papen Set Free

NUERNBERG — (UP) — Franz Von Papen, the old gray fox of German diplomacy who helped boost Adolf Hitler to power, was cleared today by a denazification appeal court and ordered set free.

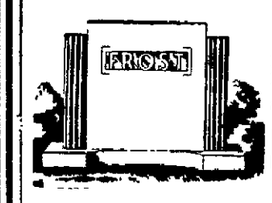

The court ruled that the time Von Papen had spent in jail since the end of the war was sufficient penance, and cancelled the remainder of an eight-year sentence at hard labor.

This was the second clean bill given Von Papen for his part in nazism. He was one of the three men acquitted by the Nuernberg war crimes court which tried Hermann Goering and the other leaders of the nazi regime.

Hitler's No. 1 diplomatic trouble shooter, who once was chancellor of Germany, was 70 years old and ailing, his glittering record of craftiness in chancelleries around the world seemingly at an end.

Mrs. C. E. Frankeberger Gives Program For Tourist Club

THE WOMEN'S CLUB was the scene of the regular meeting of the Tourist club Tuesday afternoon when Mrs. Dimon Herring was hostess.

The program was opened with a magazine article read by Mrs C. E. Frankeberger, entitled "Super Eye for Super Science," in which she told the group of the electric-eye device which enables the blind to read meters, will do accounting, tabulate the number of persons entering a building, regular traffic and provide for safer driving; is used by detective agencies for sounding alarms and photographing night intruders.

Mrs. Robert Jones also participated in the program by discussing the topic, "Let's Look at Japan," in which she told the members that four hundred million dollars of American taxpayers' money are being used to support the Japanese program of rehabilitation.

She stated that three and a half million bushels of grain have been shipped to Japan, while much of the American canned goods have been discarded by the Japanese because they do not know how to use them.

"The aim of the Allied powers is to destroy entirely the military power and weaken the institutions that nurture militarism," she said. "Not a shred of Japan's former fighting strength is now in evidence."

She described how General MacArthur has brought about the emancipation of the Japanese tenant by ordering the government to insure those who till the soil enjoyment from their labors. Mrs. Jones told the members that Shintoism has lost much of its appeal, and only a fraction of the once-thousands continue to visit the shrine.

"A generation must pass before we will know how lasting will be the effects of the American effort," Mrs. Jones concluded.

A general discussion of the subject followed. During the short business meeting the club members voted a contribution to the "March of Dimes."

Mrs. J. C. Stout will be in charge of the program for the next meeting, Feb. 8

Shirred eggs, chicken livers and scalloped tomatoes make a delicious main course for a party luncheon. Let a tossed green salad, hard rolls and butter, dessert and a beverage complete the menu. The dessert might be an apple cobbler with hard sauce or fresh pears baked with spices and brown sugar.

Child Study Club Given Talk By Mrs. James Guest Tuesday

MRS. JAMES GUEST was the speaker at the January meeting of the Child Study club Tuesday night at the home of Mrs. Douglas Griffin, Forrest avenue.

Her topic was "Speech Defects and Correction," in which she emphasized the importance of good speech and diction for children. She told the group that parents provide schooling, piano lessons and dancing lessons for their children, but neglect proper speech training.

Mrs. Guest demonstrated the effectiveness of proper speech and diction by having several club members read poems, which were corrected by the other members.

Plans were discussed for a Junior and Senior high party to be held sometime in February, with Mrs. Lowell Bourns named as chairman of the planning committee, assisted by Mrs. Maxine Forkner and Mrs. Charles F. Beddard.

At the close of the evening the hostess, assisted by Mrs. Beddard, served a dessert luncheon from a table centered with an attractive arrangement of tangerine-colored sweet peas. Mrs. Ivor Balyeat presided at the table.

Another meeting is planned for Feb. 22, a Round-Table Discussion program conducted by Mrs. Bourns, Mrs. Coleman Todd and Mrs. W. J. Robbins.

Left-Over Meat Can Be Very Tasty

By ALICE DENHOFF

WHEN time and money must be saved—and who is there that doesn't approve of this program—really good meat left-overs fill the bill. With a little ingenuity, a little imagination, a left-over dish can come to table proudly, as would a meat and waffle shortcake, for instance.

Left-over of fresh meat, browned and cooked in a cream sauce, is delicious between crisp brown waffles. Use prepared biscuit mix for quick waffles, a good time saver.

Left-Over Gravy.

To prepare veal and waffle shortcake prepare 1½ cups medium white sauce, stir in ½ cup left-over gravy, and 2 teaspoons Worcestershire sauce; bring to a boil. adding milk or water if too thick. Add 2 cups diced cooked veal or one pound veal shank, breast, flank, neck or shoulder; heat thoroughly. Serve on hot waffles, shortcake style.

If fresh veal is used, cut meat in 1-inch cubes, saute in hot lard; add ½ cup water; cover and simmer 30 minutes. Use drippings to make gravy. And if you want to dress up the dish to company proportions, add mushrooms, almonds, pimientos, or garnish with hard-cooked egg slices.

For a wonderful quickie that really is different, try meaty pancakes. Add one or 2 cups chopped cooked meat to regular pancake recipe. Serve with golden brown syrup, honey or apple butter, preserves or jam. For a real quickie, a meal prepared in 30 minutes flat, mix prepared biscuit mix and add ½ to one cup chopped cooked meat. Bake at 450 Fehrenheit 12 to 15 minutes. Top with creamed eggs, cheese sauce or savory white sauce, with green peppers, pimiento and onion.

One cup cooked lamb offers a good excuse for delicious Lamb Turnovers. Combine the chopped lamb with ½ teaspoons Worcestershire sauce and tablespoon minced parsley. Mix with a white sauce compound of 1½ tablespoons lard or drippings (melted), 1½ tablespoons flour, ½ teaspoon salt, ½ cup milk. Make plain pastry for a one-crust pie; divide into four parts, then roll on floured board into 6-inch squares. Place a spoonful of meat on a triangular half of pastry square. Fold pastry over meat, corner to corner, press edges together. Place in a baking pan. Brush top with milk, then bake at 400 Fahrenheit for about 30 minutes, or until brown. Serve with brown gravy or mushroom sauce, if desired. Serves five.

To prepare onions to accompany hamburgers, liver or steak, peel them, cut them in half and then slice into lengthwise strips. Saute the onion strips in hot fat for a few minutes, turning frequently, then cover the saucepan and let them steam until they are as tender as desired. A few drops of gravy coloring sauce added when they are cooked will insure a good rich brown; mix the onion strips with the sauce well before serving.

Lunches are so apt to get into a monotonous rut because Mother just manages to squeeze them in between the morning housecleaning and afternoon ironing. Something different in the way of food for lunch is always a welcome treat to the hungry family.

Try perking up lunch menus with new foods occasionally—for example, Egg Timbales topped with Creamy Cheese Sauce. These timbales are simple to prepare and since they are made with protein rich milk, cheese and eggs, they make a good main dish. To complete the menu, add buttered green beans, carrot sticks, bread and butter, milk, and apple crisp.

EGG TIMBALES WITH CREAMY CHEESE SAUCE

2 tablespoons butter
2 tablespoons flour
2½ cups milk
1 teaspoon salt
⅛ teaspoon pepper
¼ cup finely diced celery
6 eggs, slightly beaten

Melt butter, add flour and blend. Gradually add milk and cook until smooth and thickened, stirring constantly. Add seasonings and celery, and slowly pour mixture into slightly beaten eggs. Mix thoroughly. Pour into 6 medium custard cups, set in pan of hot water and bake in a moderate oven, 350°F., for 45 minutes, until a knife inserted in the center comes out clean. Serve with cheese sauce. Serves 6.

CHEESE SAUCE

3 tablespoons butter
4 tablespoons flour
2 cups milk, scalded
1 teaspoon salt
⅛ teaspoon pepper
1 cup grated American cheese

Melt butter, add flour and blend. Gradually add milk and cook until smooth and thickened, stirring constantly; add seasonings. Fold in grated cheese, stirring until melted. Serves 6.

Majority of Office Workers Women

Six out of every ten persons doing office work in the United States and four out of every ten people doing professional or semi-professional work are now women, according to recent Census figures quoted by the U.S. Women's Bureau. Covering the period from 1940 to 1948, the study shows a steady movement by women towards clerical, sales and production work.

Only type of job which actually has fewer women working in 1948 than in 1940, is domestic service. There were more than two million maids, cooks and housekeepers in 1940 but there are less than a million and a half of them today.

An interesting commentary on these nation-wide figures is the experience of the life insurance business, which has seen a rapidly increasing number of women employes and agents since the beginning of the war. The total number of women in the business rose from 88,000 in 1945 to 100,000 in 1947.

Do You Really Want to Take Off That Ugly Fat?

Recently there have been a number of new reducing preparations on the market, some of them based on the diet and vitamin "plan." It is obvious that vitamins will not reduce the body weight, so one must depend on diet to reduce. But it is also obvious that one cannot go on a strenuous diet over a protracted period, and any weight lost will be restored if the former eating habits are gone back to.

So what to do? Well, here is a tip to you "overweight gals" who want to fight "the Battle of the Bulges" in a different way. Ask any well stocked Ohio druggist for four ounces of Rennel. Mix with 12 ounces of grapefruit juice and take two tablespoonfuls twice a day.

This preparation contains nothing harmful and the makers agree to refund your money on the very first bottle if it does not show you the way to lose ugly fat and help regain slender, more graceful curves.

Rennel is low in cost and is not based on the diet and vitamin "plan." You need never know a hungry moment while reducing with Rennel. —Adv.

By GENEVIEVE KEMBLE

For Thursday, January 27

AN alert and well-planned campaign against dubious and strange conditions, with undertones of the subtle and intriguing, may eventually enlist support and understanding from those in influential positions. Such personal interest may have a touch of the sentimental, kindly, generous and possibly philanthropic. A dangerous undertone may give way to noble purpose—enlisting substantial aid in which friendship and good will count. Hospitality, congeniality, as well as ideals, have force in business as well as in domestic contacts Be discreet in such appeal.

For the Birthday

Those whose birthday it is may find it expedient to employ "the soft touch." Imagination, glamor, personal appeal combine to bring influence upon a treacherous or intriguing set of circumstances., difficult to circumvent by above-board tactics, orthodox or more practical approach. Entertainment, social or charitable functions, may prove impressive and turn sinister or questionable plans into more lofty channels. Fancy or idealism may prove effective if soundly manifested. Keep alert to sordid appearances of clever deceptions, business and social.

A child born on this day may possess subtle depths of character, while seemingly open and magnanimous, generous and kindly.

Add drained prepared horseradish, salt, sugar, freshly ground pepper and onion juice to whipped cream for a sauce to serve with cold ham or luncheon meat. This sauce is also delicious with cold salmon

Do You Clean Efficiently?

By ELEANOR ROSS

IT'S a good idea to have a regular schedule for those special cleaning tasks that come every month or two as well as for the daily and weekly chores. Then, with your lists made, time recorder, steps for greater efficiency noted, it is time to put the plan together in order to have a cleaner house by 12 o'clock, and with less effort on your part, too.

The next step is to fit the various jobs that run from daily to weekly to monthly, into a day-by-day plan that overlooks nothing and yet is evened out so that each day has its fair share.

DIFFERENT TASKS

Your first entries should be in pencil. Use large sheets of paper. Name the different tasks by a key word or two, or by a number or letter. In making your plan day by day, you may make some false starts. That's why you use a pencil! But you'll find that there is lots of fun in even planning the work—and that the results in time-saving and a smoother running household begin making themselves felt very soon. For, you see, you are studying to save time on each separate task.

PLAN CHICKEN SUPPER

TIRO — The Tiro P-TA will sponsor a chicken supper at the school on Wednesday night, Feb. 2, it was announced by P-TA officials this week.

Does Stomach Gas and Bloat Make You Feel Miserable?

If so, here is how you may get blessed relief in freeing your stomach from this nervous distress. It works this way:

Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red-blood you should eat better, sleep better feel better, work better, play better.

Avoid punishing yourself with overdoses of soda and other alkalizers to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today SSS Tonic helps Build Sturdy Health.

January Sales Score For Stores

Merchants Find 'Push' Pays Off

NEW YORK, (AP) — January sales held throughout most of the country were declared by retailers today to have been a success. They say they have been convinced that people will buy "if the price is right."

Reports on satisfactory dollar sales in department stores and specialty shops—except where affected by weather extremes—signaled what many believe is the final turn from the wartime sellers' market to the postwar buyers' market.

It all wasn't done with cut-price tags, either Prices were lowered on many lines of merchandise, of course, but the emphasis was on "more for the money on the things that you want"

The volume of Christmas business in a majority of cases was less than expected, and the prevailing opinion was that retailers must brighten up rusty wartime selling methods to bring customers back into stores.

Their first opportunity came with the post-Christmas and January sales Some retailers planned and carried out even bigger sales drives than they did for Christmas

It paid off. Some pushed to record peaks in dollar volume. Those who didn't offer reduced prices or greater value found sales lagging.

Merchants in their sales quickly spot the popular fast selling lines and reorder them immediately from wholesalers in order to get maximum volume on small turnover of goods

RESIGNS "Y" POSITION

CINCINNATI —(AP)— Carl E Williams resigned yesterday as executive secretary of the Williams Y M C A here to accept a similar position with the Y M C A at Springfield, Ill He will assume his new job April 1

MODERN DESIGN—The new 1949 Studebakers went on display today at Gibson Motor Sales, 217 Park avenue east. The Champion Five-Passenger Starlight coupe, shown here, has several new advancements in interior luxury, including two-tone contrasts between the upholstery and the sidewalls and head lining. Instrument panels and window reveals, as well as steering wheels are colored to blend with the new upholstery. Champion engine performance has been stepped up through the adoption of a new carburetor and changes in the valve lift and intake manifold.

Ordered to Pay For Child's Care

Buck Johnson, of 328 East Second street, was granted until Saturday to make up back payments due for support of his child.

Juvenile court authorities said Johnson owed $129. On Oct. 6 he was given a 90-day jail sentence, suspended on condition he pay $20 per week, $7 for current support and the balance for hospital and medical bills.

Italy's Lake Como has been famous for its scenic beauty since early Roman days

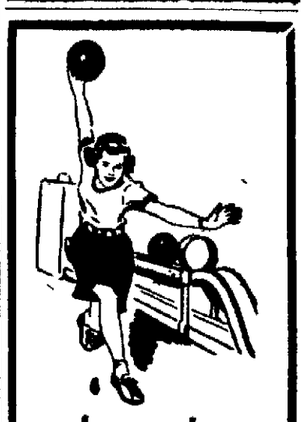

Denies Charge

Joseph Brannon, of Columbus, pleaded not guilty yesterday in juvenile court to a paternity charge brought on behalf of a 17-year-old girl.

Bond was set at $1,000 and the case continued to May 10.

Air Force Cadets To Get Blue Garb

WASHINGTON —(AP)— The air force's cadets will wear blue uniforms after next April 4, replacing the standard khaki used since early in the war.

The uniforms for the fledgling fliers will be similar to that worn prior to 1942. A service coat of medium dark blue, single-breasted, silver buttons, will match trousers of the same material Battle jackets will be issued for informal wear Shirts will be of light blue, with dark blue necktie and black shoes and socks. The cap will match the uniform's color.

Leaders' Group Meets

The Richland county Rural leaders' group will meet Monday at 8 p. m. in the Chamber of Commerce assembly room in the Farmers Bank building to discuss the extension service program for 1949.

County Agent C N McGrew and Miss Mabel Spray, county home demonstration agent, will be in charge.

Purpose of the meeting. McGrew said, is to bring farm group representatives up to date on the extension program and to discuss the desires of farm organizations.

Activity reports of their organizations will be presented by the following: Mrs Max McFarland, home council; Thomas Sheppard, Richland Rural Life center; Stanley Huston Dairy Service unit; A. L. Lockheart, Soil Conservation district and Richard Wolford, 4-H club work.

Sports Do More Than Develop Muscles, Coach Tells Club

A. E. "Augie" Morningstar, athletic director and football coach at Senior high school, told members of the Rotary club yesterday that although sports develop a man physically, he also is developed mentally as well.

He cited the case of a football broken-field runner.

"He has to make many split-second decisions in the course of a game if he and his team are to be successful".

Morningstar said that sports also teach men to work together for the common good of the team. As an example he used the case of a basketball player who has a possible shot but passes to another teammate who has a sure shot, thus making the two for the team and not himself.

He pointed out that the sports programs in high schools enable many boys to go to college who would not otherwise be in a financial position to attend He also said that the senior high sports program has promoted other interscholastic activities due to the students meeting students from other schools at sporting events.

Dr. Dwight A. Weir was program chairman and introduced the speaker.

Reports Theft of $150 Wedding Ring

Mrs. Ruth Metzger, 818 Park avenue west, reported to police yesterday that her $150 wedding ring had been stolen from the glove compartment sometime since Friday.

She said she didn't know when the theft occurred, adding that the only time she remembers leaving the car unlocked was while it was parked for a short time Saturday morning on North Main street.

Entertain At Church

Clarence and Howard Jones, who broadcast over HCJB, a South American radio station, will be in Mansfield next week to present a program of music at the Grace Gospel church.

The two, artists and commentators at the radio station which is operated by the World Radio Missionary Fellowship at Quito, Ecuador will appear at the Grace Gospel church, Sunday, Monday and Tuesday.

Clarence Jones plays the trombone and Howard the trumpet. In addition to their music they will present colored slides and movies showing Ecuador and the HCJB staff at work.

The entertainers will be present at three services Sunday and on Monday and Tuesdays at 7.30 p.m.

Although uranium-containing ores are plentiful and widely scattered, it is itself rated almost as scarce as gold—and hard to extract.

'Hero' Loses His Prestige

CLEVELAND —(AP)— A little sadly, Walter C. Craine, 54, a World War I marine private, gave up his galaxy of war medals and his marine's dress uniform as a condition for staying out of jail.

Craine and his wife agreed before Federal Judge Paul Jones the "hero" days were over. But, he reminded the judge, he could still wear the good conduct medal, which he earned.

Craine was charged with illegally wearing the medal of honor, the nation's highest military award and one granted by act of Congress.

5-YEAR PLAN CITED

AKRON —(AP)— The Akron-Canton airport will be equal to the best in the nation following a five-year plan of improvements now being drafted, acting Manager Fred L. Bailey announced.

Truman Would Excuse Many From 'World Duty' By Tax Exemption

WASHINGTON—President Truman, who received less than half of the votes cast in the national election, presumed to say in his inauguration speech that the American people are determined to work for a world in which all nations and all peoples are free to govern themselves as they see fit.

He made several friendly overtures to God and spoke favorably of religion and righteousness. The combined effect was an unwarranted assumption that the people of the United States are pious, good, and almost unanimously Democratic.

And, only 24 hours before, he had frankly said that God Almighty, in 1920, intended the United States to assume "its position of responsibility," but had been frustrated.

On information and belief I can say that by "position of responsibility" Mr. Truman meant that the United States was intended by God Almighty to become the moral leader of the world.

The vein of intimacy with God Almighty in the orations of this prophet is reminiscent of the bulls of Kaiser Wilhelm who made himself ridiculous in the minds of many Americans and came to be known as the senior partner in the firm of Me und Gott.

Other nations and breeds regarded all this as outrageous impudence and while it cannot be said that they went to war solely to rebuke Wilhelm and the Germans for an irritating assumption of superiority, it is a fact that they were indignant. More germans were killed by way of proof that God was not with them, contrary to the motto on their buckles, than with conscious intent of their enemies to make the world safe for democracy.

Adolf Hitler adopted a similar theme. It is true that his god was a vague, pagan apparition, widely believed to have been spurious but der fuehrer's program was a very model for President Truman's new prescription for paradise enow, with one lamentable exception.

Hitler was behind the times in few things but that lamentable exception was one. Had he looked to our history he could have learned that the next pretender after the nazis to the proud estate of God's chosen people, the citizens of the U. S. A., had thoroughly tried in murderous practise the crime of genocide in our wars with the Indians.

The phrase "the only good Indian is a dead Indian" meant to our soldiers and other frontiersmen just what the words say. We did not kill as many of the proscribed race as Hitler killed but in proportions to numbers, opportunities and means we did ourselves proud according to our lights as recently as seventy five years ago.

I FIND no authority for Mr. Truman's statement that the American people are determined to work for a world in which all nations and all peoples are free to govern themselves as they see fit. They have never expressed themselves to that effect.

No such proposition was put to them in the election which made him president by a hair-line plurality but not by a majority of the votes.

And when Mr. Truman said "I am interested in seeing this great nation assume its position of responsibility, which God Almighty in 1920 intended that we should assume and which we did not assume" he dodged the fact that the people themselves refused to accept the responsibility after thorough debate.

Already now the people of the United State actually are working in the most practical way, at their regular jobs, for other peoples of the world, but not by any determination of their own. They do so under the compulsion of the income tax. They are so rebellious that Mr. Truman himself is now arranging to excuse most of them from such work by exempting their incomes from the tax.

Mellick Quits County Health Post

Served On Board For 15 Years

C. C. Mellick, for 15 years a member of the Richland County board of health has resigned his post and Dr. C. B. Stanley, a Bellville veterinarian, has been named in his place.

This action came at the regular meeting of the city and county boards of health last night. The county board "accepted Mellick's resignation with regret" and appointed Dr. Stanley in his place.

He will serve out Mellick's term which expires in March. At that time, the mayors of the county's villages and the chairman of the township trustees in each township will make a permanent appointment to the board.

With the appointment of a veterinarian to the board, Dr. Harry Wain, city-county health commissioner, commented that Mansfield and Richland county have well rounded boards of health."

He pointed out that there are two farmers on the joint board, L. L. Rinehart and John Tucker; one member of the legal profession, Leslie K. Wagner; a pharmacist, Frank Mayer; a dentist, Dr. R. B. Moyer; four doctors, Dr. R. R. Black, Dr. H. G. Knierim, Dr. Charles O. Butner, Dr. Paul Blackstone, and the veterinarian.

School Fetes 25 Athletes

Twenty-five boys, members of Rebecca Grubaugh school football team, were honored at a covered-dish dinner at the school Tuesday night.

The affair, attended by 175 parents and children, was held in the school gym in charge of Frank Fox, chairman of the P-TA athletic committee of the school.

Athletic awards were made by Marshall Smith, football coach, and his assistant, Jim Hegarty.

Those receiving the letters were Mike Small, Larry Brinkman, Dick Beal, Fred Willis, Tom Nichols, Jack Nichols, John Lukan, George Woodman, David Jacoby, Billy Kaufman, Paul Christ, Tommy Hollingsworth.

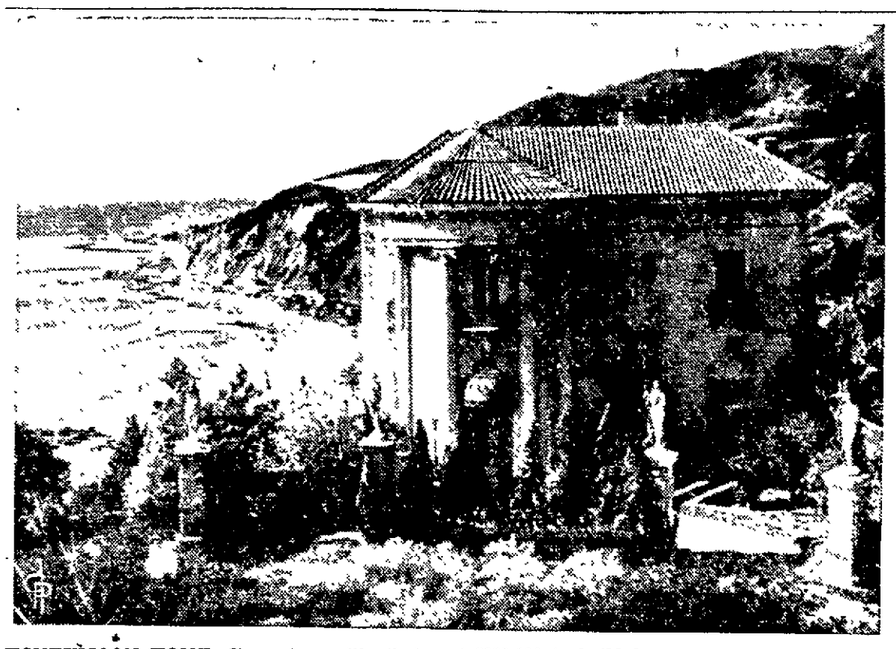

Warren Ullom, Bob McIntyre, Dick Berlo, Steve Fisher, Douglas Cory, Jack Connor, David Grassick, Fred Mueller, Jim Reed, Greg Calver, Jim Bair, Dick Oglesbee and Jim Bertoch.

Following the awards Harry Mehock, director of physical education in Mansfield schools, spoke briefly. Jesse M. Clark, school principal, introduced Coach Augie Morningstar, speaker of the evening, who described the benefits youngsters derive from the grade school sports program. Morningstar showed movies of major 1948 college football games as well as the Mansfield-Hamilton game.

Seek Modernized Hearing Program

A stepped-up and modernized hearing conservation program for children in Mansfield and Richland county schools was in the making today.

The city-county health department, in cooperation with medical and civic organizations, is working on program for a more effective testing of pupils' hearing.

Dr. Harry Wain, city-county health commissioner explained today that the need for an adequate hearing conservation program in the schools has long been felt.

He pointed out that present methods of testing hearing, mainly by whispering to a patient, is not considered accurate enough.

"What is needed," he said, "is a device known as an audiometer which scientifically tests a person's hearing."

Dr. Wain said two civic organizations are discussing plans to purchase the $600 instrument for the use of the health department.

EXAMS PLANNED

The program, which will not get under way until all plans are completed, will be started with audiometric examinations of third grade pupils.

Purpose of the program is fourfold:

1. To discover hard of hearing children so that their remaining hearing can be conserved.
2. Obtain for them needed attention to determine the cause, degree and possible outcome of the hearing deficiency.
3. Work to obtain specialized school instruction for children found to be hard of hearing.
4. Educate parents to the need of hearing health.

Health department statistics show that five per cent or more of all school children have some degree of hearing loss and that an average of one and one-half per cent of all school children need to learn lip reading.

This program, along with plans for putting it into effect, were discussed by school, civic, medical and health department officials at a meeting yesterday.

Those in attendance were Dr. Edwin Fensch, city school psychologist; L. L. Mishey, elementary school supervisor; Miss Vendry Vaughn, teacher in the hard-of-hearing class; Boyd Robinson, county superintendent of schools; Drs. E. H. Bilestein, and Carl Quick; Joseph Nichols of the Cooperative club, Mrs. E. G. Pankow of the PTA, Miss Katherine Morris, hearing consultant of the state department of health, and local health department officials.

Lamb Heavy On Records

(Special to News-Journal)

TOLEDO— Unity corporation, headed by Lawyer Edward Lamb and the Toledo Blade company yesterday completed presentation of their evidence at a Federal Communicationc commission being held to determine allocation of wavelength 1470 kilocycles for unlimited (24-hour daily) use.

The wavelength is sought by three other applicants besides Unity and the Blade. Lamb's company already has use of another Toledo wave length but his station, WTOD, is permitted to operate only in daytime hours. The three other applicants still remain to be heard.

On the witness stand, Lamb said that he takes an active part in formulation of policies governing his stations in Toledo, WTOD and WTRT FM. He addchat the spends only half to one hour a day on his law practice.

Lamb estimated that it would cost his company approximately $64,000 to convert his present part-time station to full operation and estimated that at the present time 75 per cent of his station's programs are transcriptions or records.

When it was pointed out, that in his original FCC application only 15 per cent of his station's time was scheduled for such music, he replied that he has "learned a lot about radio since then."

Witness for the Blade company outlined public service and news coverage planned by the Blade company. Witnesses for that firm said that the concern would devote 70.3 per cent of its radio schedule to entertainment, 9.14 per cent to news, 4.37 per cent to civic and fraternal programs, 4.84 per cent to education, 2.22 per cent to religion, 1.14 per cent to agriculture and 8.26 per cent to sports.

MEETS TONIGHT

The Prospect park association will hold a meeting at 8 p. m A social hour will follow the meeting.

Steel Truck Perils Driver

Load Shifts As Vehicle Crashes

A 20-year-old North Canton truck driver narrowly escaped injury or death yesterday when part of his 12-ton load of bar steel cut through the cab as the truck plunged into a ditch, nine miles north of Ashland.

State highway patrolmen identified the fortunate trucker as Clifford Lee Carthey jr. Officers said Cathey told them he swerved off the road and into the ditch to avoid a head-on collision with a car driven by Francis Mathesia of Cdydy, Pa.

As the truck jack-knifed into the ditch, most of the load was hurled off onto the highway, trying up traffic for eight hours at the scene. Officers said the entire load was re-loaded by eight workers who were called to the scene.

Officers said the fact the truck twisted accounted for the fact the steel bars did not pierce the cab directly behind Cathey. Instead, the bars came through the cab at the center, missing the driver by two to three inches.

Mathesia, who admitted he was passing another truck at the time the accident occurred, was fined $10 and costs in Justice of the Peace Harry Pifer's court in Ashland when he pleaded guilty to passing without an assured clear distance ahead. Officers said the mishap occurred at 10:30 a. m. yesterday on a foggy stretch on U. S. Route 250.

Goat Case Dismissed

The case of the tree-eating goats has been dismissed in Richland county Common Pleas court for want of prosecution.

Russell Clary, 130 West Third street, had brought a $405 damage action against Ernest and Iva Keiser, Shelby, contending the defendants' goats ate the bark from 27 peach trees at Clary's farm in Jackson township.

Action to quiet title to a property in Shelby was filed yesterday in Common Pleas court.

The action requesting a clear title to lot 545 on Central avenue in Shelby was filed by John W. Love and Marian Brucker.

Named defendants were Francis and Sara Nelson and Gale and Gladys Reidel, all of Shelby, and the unknown heirs and devisees of Charles G. Groscup, deceased.

GOT HER DEER—

Mrs. George Hughes, West First street, has received a copy of the Worcester, Mass., Telegram with a story about her daughter, Josephine, now Mrs. Ralph D. Chadwick, wife of an army major and veterinarian. The story tells of Mrs. Chadwick's hunting experiences and how last fall she brought down a deer. Mrs. Chadwick, whom the reporter describes as a "city girl", had never shot a gun until five years ago when she became intrigued at her husband's knowledge of hunting and began practicing targets. Since then she has become a proficient hunter and several times each year accompanies her husband to the New England woods. If it's duck hunting, their two children Danny and Diana, sleep in the back of the car while "Mamma" and "Daddy" get their quota.

DROP DIMES IN CAKE—

William A. Blake, owner of Blake's Pastries at 12 South Main street, has devised a novel idea to encourage his customers to contribute to the March of Dimes campaign for infantile paralysis. A large vase-shaped "cake" covered with white, pink and yellow icing is topped with a rose-decorated bowl into which contributors drop their dimes for the fund. This is the second year Blake has designed a special container, and he reports that the idea has brought excellent results.

COULD BE WORSE—

If you're tired of all the rain that's been plaguing Mansfield and all of Ohio these days, just remember it could be a lot worse. That is, if the temperature happened to be as low as it normally is in January, snow would have fallen instead of rain. This morning's shower would have added more than six inches of snow to the blanket that already would have covered the ground precipitation to noon today was .63 inches, which would have added up to 6.3 inches of snow.

Spreading To Berlin, Report

Reds Cancel Tough Speech

BERLIN—(INS)—Reports that the new Soviet "peace offensive," launched in western Europe, may spread to Germany were rife in Berlin today.

The reports were spurred by two separate occurrences which may prove straws in the wind.

One was a statement by Max Reimann, chairman of the communist party of the western zones of Germany, that "President Truman himself is not an imperialist, but is merely the victim of imperialists."

The second was the sudden withdrawal of a speech scheduled by Soviet Berlin Propaganda Chief Col. Serge Tulpanov. Circulated well in advance the speech asserted that peace in Germany is possible only on communist terms.

Reimann's statement, which would have been considered only a month ago, was taken by observers as a sign that instructions for the so-called peace drive launched by French and Italian communist leaders have finally reached Germany.

The German communist made the statement at a press conference in Stuttgart, in the U. S. zone. Reimann is being tried by a British military government court for calling Germans who cooperate with the western allies "Quislings."

Tulpanov's speech was scheduled for delivery before the communist-led socialist unity party, before the soviet news agency and ordered it cancelled last night.

The withdrawal of the speech was not explained. But it followed reports that Tulpanov is to be replaced because he is too closely identified with a "tough" soviet line.

In his prepared speech Tulpanov declared:

"The allies in western Germany are stripping all Germans of basic rights and want to turn Germans into soldiers of imperialist aggression.

"The soviet union will never agree to such an ambition."

But if the "peace offensive" orders reached Germany, they failed to get into the hands of Otto Grotewohl, chairman of the Sed, in time for his speech to the party convention. Grotewohl declared:

"The western announcement on the Ruhr statute was a declaration of war on the working class. There can be no peace on this subject."

Program Discussed By 4-H Council

The Richland county 4-H council discussed the program for the year last night at a meeting in the county extension office.

An attempt will be made to get as many boys and girls as possible enrolled in 4-H club work by April 1. County Agent C. N. McGrew and Miss Mabel Spray, home demonstration agent, were in charge.

Kramer Named Mansfield 'Citizen of the Month'

By GEORGE COMINOS

For his outstanding service to the Mansfield community, Attorney John F. Kramer, 79, last night was named the city's "Honor Citizen" for January.

The presentation was made during "The Best Is Yet to Come" show at Senior high school auditorium, sponsored by the Mansfield Junior Chamber of Commerce.

Jaycee President Robert Murphy, pointing out that the selection is made by representatives of the entire community, asked Maurice W. Taylor, YMCA general secretary to make the presentation of the pin.

JOHN F. KRAMER

In accepting the pin, Kramer, speaking as an attorney, said the committee rendered a "very poor verdict," and he wanted to appeal to the audience.

Taylor told the audience that Attorney Kramer had been active for years in community and civic work and was one of those "who had helped the community progress through his unselfish loyalty and devotion to the community."

Murhpy said the show attracted its biggest audiences to date, the two shows having an attendance of between 1,750 and 1,800. The Jaycee portion of the proceeds go for civic improvements.

The show was outstanding entertainment, with its array of talent, including a bunch of lovebirds and a dummy cowboy that wasn't so dumb.

The Burns and Birds act consisted of a heavy man named Burns and a dozen lovebirds, which rode a ferris wheel, a merry-go-round, an electric train and one pushed another in a buggy. And one of the birds even mailed a letter while another fired a small cannon.

Monsieur Jay Seiler (his home is really Hollywood) proved to be a comedian of no mean merit, as he imitated a Frenchman, a Scotchman and went into a Spanish dance.

A dummy cowboy, named Jerry J. Jerri, and Fred Ketch in a ventriloquist act, with their double talk, had the youngsters in stitches.

Other acts on the program included. Tommy and Jeanne Mahoney, tap dancing duo; Sunnie Chambers, songstress; Larry Collins, whistler and trombone player; Dolly Barr, a fancy-looking skater who did some fancy skating on the narrow confines of the stage, and Phillip and Evelyn, a hand-balancing act. Home talent was represented by Mrs. Wanda Hess Donnan, who sang "Make Believe."

Hal Roca, vocalist with Chris Cross and his band, provided a vocal solo. Orchestra leader Cross himself is a sort of comedian, continuously warring with the spotlight man.

Bob Little was master of ceremonies.

Crestline Nips Madison Court Rally, 47 to 45

Rams Stay Behind All During Contest

By CHARLEY STINE

CRESTLINE—A long uphill fight by the Madison Rams fell one basket short here last night as they bowed to Crestline high school's tall quintet, 47-45.

The game was one of those nip-and-tuck battles where any number of things could have changed the outcome. Contributing to the Rams' defeat was a slow start, the expert foul shooting of Crestline's Big John Johnson and the ill-luck of Russ Glenn who hurried a last-minute layup and missed the tying goal.

Johnson set the scoring pace for both teams with 20 points while Joe Distl looped in 17 for Madison and Ed Chelski collected 16.

COTS LEAD ONE

Madison trailed by three points when Chelski was fouled and given two free throws with six seconds to go. He sank the first one and, after a time out, Madison took the second out of bounds. Glenn, a surprise starter over Jim Brightbill threw the ball in, then broke into the clear for a pass but rolled the ball off the rim.

The last-minute drive would have been unnecessary, however, had Madison played a little better ball in the opening minutes. They were never ahead at any time as they tried too many wild, long shots early in the game.

Crestline opened the scoring on a pair of free throws, then let the Rams tie for the only time when a "longie" by Chelski rang home. Two baskets by Miller and a free throw by Woods put Crestline ahead 8-3 at the quarter. Madison soon closed the gap to 9-8 then slipped into the doldrums as the Bulldogs took an 18-13 half-time advantage

SPARKS DRIVE

The Rams picked up some in the second half but Johnson's 16 last-half points held them at bay. Ray "Dutch" Bader sparked the third quarter drive which pulled to 27-24 but Crestline again turned on the heat and led 33-27 going into the fourth period. They added one point to make it 42-35 when the official's time out stopped the game with three minutes to go.

Distl scored six points before bowing out in the last minute but five counters tipped in at the crucial time by Johnson spelled the difference.

It was the fifth defeat in 11 games for Madison.

WINS FIFTH TILT

Madison revitalized reserve team won its fifth game in six starts by doubling the score on the Crestline seconds, 28-14.

The Rams three "beanpoles," Marty Keipp, Jerry Tallentire and Kenny Woerth, showed the way with 10, 8, and 7 points. The trio controlled rebounds on both back boards with little trouble

Giants Expect to Win Pennant

By PAT ROBINSON

NEW YORK — (INS) — You may have noticed that the front offices of the New York Giants have been strangely silent this winter on the team's prospects

There is a reason for the silence. Everybody from owner Charles Stoneham and Manager Leo Durocher down to the bat boy expects the team to win the pennant.

The reasons for this unwonted optimism are three-fold·

First, Durocher now knows what his men can do and they'll start with a clean slate.

Second, there is sure to be an improvement in the pitching department — because if there is any change at all, it is sure to be for the better. It couldn't be worse.

Third, the team will have a higher morale and drive and some of the fellows who were below form last year figure to hit their true stride this season.

Of course, there are a few "ifs" For instance, the biggest "if" hinges on Walker Cooper, whose injured knee made him virtually a total loss to the team last year. If Walker's knee has mended, he should be the best catcher in the league and one with plenty of authority at the plate.

Walker, Sid Gordon aand Johnny Mize gave the Giants a home run punch second to none in baseball With all clicking in normal fashion, they figure to total at least 100 homers.

The infield should show a big improvement Gordon, of course, is solid Bill Rigney at second and Kerr at short had off-years last season, but they should stand up this time. If either fails Durocher has the steadily improving Jack Lohrke to fill in at either spot Indeed, Lohrke might win himself a regular berth at second base.

Mize is Mize, as Durocher says. The best you can say of his play at first base is that it is adequate.

Willard Marshall and Bobby Thomson were far below their normal form last year. Both are young and both figure to do much better now that they know what Durocher wants and expects.

They, and the brilliant Whitey Lockman, should comprise a fine outfield. The trick will be to get them hitting at the same time.

Stillwell Hits 11 Field Goals

Led by Stillwell's 11 field goals, the Friendly House Trojans moved past Farmer's Market, 41-26, in the Friendly House Senior league last night. Rex Billiards took Sponsellor's Brake, 37-22, in the other game.
